To,

The Drugs Controller
Directorate of Health Services
Shillong

Dated: 22nd July, 2014

Sub: IV fluid samples for testing

Sir,

It has been reported by the Professor and Head of Department of Anaesthesia & Critical care and Dept. of Ophthalmology on 22nd July, 2014 that the IV fluid Ringer lactate manufactured by Septy Pharmaceuticals, Septy, P.O. Maranjana, Rangla-781354, Assam, supplied through M/s Pharma Stockist, Quinton road, Shillong-793001, with batch no-L0377 and L-0426, expiry date Jan 2017, has resulted in bacterial contamination which has also been confirmed by the report from the Institute's laboratory.

It is requested to carry out respective test for the IV fluid (ten units of samples with batch no L0426 and L-0377 respectively) and submit report for perusal of all concerned and further action at our end.

In view of the report, the present stock is not being utilized any further and the Institute has directed the manufacturer ^{added} for replacement of stocks after clearance from the Drugs Controller of the respective state.

Thanking you.

Yours faithfully

Jinthuliu
(D. Jinthuliu)

Superintendent Pharmacist
