

NEIGRIHMS STUDENTS' COUNCIL (NSC) OATH

We NEIGRIHMSIANS, as students from a diverse and vibrant colourful community, we do not enter this Institute by proximity, but by virtue of a shared vision – to pursue higher truths, obtain greater knowledge, and strive for a better world.

In this endeavour, we do not succeed by our individual ambitions, but by our discovery of each other. We obtain greater knowledge when we consider the perspectives of our fellow students and we begin to strive for a better world when we build a stronger community.

As a student and member of NEIGRIHMS Students' Council -

I will embrace people for the diversity of their identities, creating a community inclusive of race, ethnicity, sex, age, ability, faith, orientation, gender, class and ideology.

I will challenge my hurdles through education inside and outside the classroom.

I will always strive to respect and honour the patients who allow us to learn from them.

I will show that I am proud to be a NEIGRIHMSIAN by enriching the culture of our Institute.

I will foster a community that welcomes all by recognising the inherent dignity of each person.

I swear that I shall uphold the dignity and keep the sanctity of NEIGRIHMS. I solemnly affirm that I shall respect the teachers and all concerned by the Institute and abide by the authority, rules and regulations.

I do solemnly promise and pledge to faithfully execute the Office of NEIGRIHMS Students' Council and will do the best of my knowledge and ability and will do best for all the NEIGRIHMSIAN fraternity.

This is the NEIGRIHMS I believe in - **'Ad Scientia Et Vita'**

I will live by our motto - **'To Strive Ahead For The Good Of All'**

Long Live NEIGRIHMSIANS !
