SECTION I: NOTICE INVITING TENDERS (NIT)

Online tenders, in two-bid system, are invited by Director, NEIGRIHMS, Shillong for processing of stores/items for the Institute, as per enclosed specification and related terms and conditions.

1. Bidders/Tenderers would be required to register on the Central Public Procurement Portal at www.eprocure.gov.in, using a valid Digital Signature Certificate (DSC) and valid email address to be able to participate in the bidding process. On registration with the Portal they will be provided with a user id and password by the system through which they can submit their bids online.

2. Digital Signature Certificate (DSC) may be obtained from any authorized agencies registered with the Certifying Authority (CA), through National Informatics Center (NIC) in India.

3. Bidders/Tenderers can download the bid document from Central Public Procurement Portal website at www.eprocure.gov.in. Bidders/Tenderers are required to submit the bid online by scanning and uploading all the relevant documents through www.eprocure.gov.in.

4. Tender document can also be downloaded from the Institute’s website at www.neigrihms.gov.in. For further details regarding Amendment/Addendum/Extension please visit website: www.eprocure.gov.in and www.neigrihms.gov.in.

5. No tender fee is required for downloaded documents.

6. Earnest Money Deposit (EMD) in the form of Call deposit, Banker’s Cheque, Fixed deposit or Demand draft, drawn in favour of Deputy Director (Admn.), NEIGRIHMS, Shillong or Bank Guarantee of any Scheduled Bank, shall be scanned and submitted online, along with the Techno-commercial bid (Un priced Bid), within the period of tender online submission date and time and the original (hard copy) should be submitted to Stores & Procurement Section, Director’s Block, Mawdiangdiang, NEIGRIHMS, Shillong -793018 within the stipulated date and time.

7. In the event of the date being declared as a closed holiday for purchaser’s office, the date for opening of bids online will be the following working day at the appointed times.

8. Bidders/Tenderers need to scan and upload the required documents like Goods and Service Tax (GST) registration, PAN Number/Card, valid document regarding the existence and registration of the firm along with the with Techno-commercial bid, as per Check List (Section XXI).

9. The technical bids will be opened online by a committee of members duly constituted for the purpose at the time and date as specified in the tender document. All statements, documents, certificates, proof of EMD /Tender fee/Affidavits, etc uploaded by the bidders will be verified and downloaded for technical evaluation and the result of technical bid evaluation will be displayed on www.eprocure.gov.in which can be seen by all bidders who participated in the tender.

10. The bidders should download the BoQ.xls (Bill of Quantities) and filled in the blank spaces provided for mentioning the name of bidder and rates. Bidders need not modify any other text or background shown in the BOQ template or replace it with any other copy of same BoQ in xls format. NEIGRIHMS /Central Public Procurement Portal (www.eprocure.gov.in) will accept the BOQ template only and hence the rate should not be quoted in any other place except BOQ template.

11. The Financial bid (price bid) i.e. Bill of Quantity (BOO) of only technically qualified bidders will be opened online by a committee of members and the result will be displayed on the www.eprocure.gov.in which can be seen by all bidders who participated in the tender.

12. No work will be allotted to Non-tribal bidder, contractors, Suppliers, stockists, bonded warehouse, private carriage contractors, cooperative societies etc except under a valid trading license issued by the Khasi Hills Autonomous District Council, Shillong.

13. The firm has to give an affidavit duly attested by the Notary Public (in original) on a non-judicial stamp paper of Rs. 10/= that the firm is not supplying the same item at lower rates quoted in this tender to any Government/Private organization or any other institution during past one year, as per “FALL CLAUSE” adhered by DGS & D and other Government agencies.

14. The firm has to give an affidavit duly attested by the Notary Public (in original) on a non-judicial stamp paper of Rs. 10/= that there is no vigilance/CBI/FEMA case pending against the firm/supplier.

15. At any time prior to the date of submission of bid, Director, NEIGRIHMS may, for any reason, whether at his own initiatives or in response to a clarification from a prospective bidder, modify the bidding documents by an amendment.

16. The tendered rates and the validity of bids shall be for a minimum period of 120 days from the date, as the tender are finalized/awarded.

17. Settlement of disputes – Director, NEIGRIHMS or his authorized representative shall be the final authority in all disputes and decision will be binding on all concerned.

“CMC” means Comprehensive maintenance Contract (labour, spare and preventive maintenance)

2. **Introduction**

2.1 The Purchaser has issued TE documents for purchase of goods and related services which also indicates, interalia, the required delivery schedule, terms and place of delivery.

2.2 This section (Section II - “General Instruction Tenderers”) provides the relevant information as well as instructions to assist the prospective tenderers in preparation and online submission of tenders. It also includes the mode and procedure to be adopted by the purchaser for online receipt and online opening as well as online scrutiny and online evaluation of tenders and subsequent placement of contract.
2.3 The tenderers shall also read the Special Instructions to Tenderers (SIT) related to this purchase, as contained in Section III of these documents and follow the same accordingly. Whenever there is a conflict between the GIT and the SIT, the provisions contained in the SIT shall prevail over those in the GIT.

2.4 Before formulating the tender and online submitting the same to the purchaser, the tenderer should read and examine all the terms, conditions, instructions, checklist etc. contained in the TE documents. Failure to provide and/or comply with the required information, instructions etc. incorporated in these TE documents may result in rejection of its tender.

3. Availability of Funds

3.1 Expenditure to be incurred for the proposed purchase will be met from the funds available with the purchaser/Institute.

4. Language of Tender

4.1 The tender submitted online by the tenderer and all subsequent correspondence and documents relating to the tender exchanged between the tenderer and the purchaser, shall be written in the English language, unless otherwise specified in the Tender Enquiry. However, the language of any printed literature furnished by the tenderer in connection with its tender may be written in any other language provided the same is accompanied by an English translation and, for purposes of interpretation of the tender, the English translation shall prevail.

4.2 The tender submitted online by the tenderer and all subsequent correspondence and documents relating to the tender exchanged between the tenderer and the purchaser, may also be written in the Hindi language, provided that the same are accompanied by English translation, in which case, for purpose of interpretation of the tender etc, the English translations shall prevail.

5. Eligible Tenderers

5.1 This invitation for tenders is open to all suppliers who fulfil the eligibility criteria specified in these documents.

6. Eligible Goods and Services

6.1 All goods and related services to be supplied under the contract shall have their origin in India or any other country with which India has not banned trade relations. The term origin used in this clause means the place where the goods are mined, grown, produced, or manufactured or from where the related services are arranged and supplied.

7. Deleted

B. TENDER ENQUIRY DOCUMENTS:

8. Content of Tender Enquiry Documents

The relevant details of the required goods and services, the terms, conditions and procedure for tendering, tender evaluation, placement of contract, the applicable contract terms and, also, the standard formats to be used for this purpose are incorporated in the above-mentioned documents. The interested tenderers are expected to examine all such details, etc to proceed further.

9. Amendments to TE documents

9.1 At any time prior to the deadline for online submission of tenders, the purchaser may, for any reason deemed fit by it, modify the TE documents by issuing suitable amendment(s) to it.

9.2 Such an amendment will be notified /displayed in the website: www.eprocure.gov.in and www.neigrihms.gov.in

9.3 In order to provide reasonable time to the prospective tenderers to take necessary action in preparing their tenders as per the amendment, the purchaser may, at its discretion, extend the deadline for the submission of tenders and other allied time frames, which are linked with that deadline.

10. Clarification of TE documents
10.1 A tenderer requiring any clarification or elucidation on any issue of the TE documents may take up the same with the purchaser in writing. The purchaser will respond in writing to such request provided the same is received by the purchaser not later than fifteen days (unless otherwise specified in the SIT) prior to the prescribed date of online submission of tender.

C. PREPARATION OF TENDERS:

11. Documents Comprising the Tender

11.1 The Two Tender System, i.e. “Techno – Commercial Tender” and “Price /Finance Tender (BOQ)” prepared by the tenderer shall comprise the following:

A) Techno – Commercial Tender (Un priced Tender)

i) Earnest money furnished in accordance with GIT clause 19.1 alternatively, documentary evidence as per GIT clause 19.2 for claiming exemption from payment of earnest money.

ii) Tender Form as per Section X (Un-priced).

iii) Documentary evidence, as necessary in terms of clauses 5 and 17 establishing that the tenderer is eligible to submit the tender and, also, qualified to perform the contract if its tender is accepted.

iv) Tenderer/Agent who quotes for goods manufactured by other manufacturer shall furnish Manufacturer’s Authorisation Form. While giving authorization to agent, to quote on their behalf, manufacturer has to give the reasons for not quoting directly against this tender.

v) Power of Attorney in favour of signatory of TE documents and signatory of Manufacturer’s Authorisation Form

vi) Documents and relevant details to establish in accordance with GIT clause 18 that the goods and the allied services to be supplied by the tenderer conform to the requirement of the TE documents.

vii) Performance Statement as per section IX along with relevant copies of orders and end users’ satisfaction certificate.

viii) Price Schedule (Financial Bid) with all the details including Make, Model etc. of the goods offered with prices blank (without indicating any prices).

ix) Certificate of Incorporation in the country of origin.

x) Checklist as per Section XXI.

B) Price Tender:

N.B.

It is the responsibility of tenderer to go through the TE document to ensure furnishing all required documents in addition to above, if any.

11.1 A tender, which does not fulfil any of the above requirements and/or gives evasive information/reply against any such requirement, shall be liable to be ignored and rejected.

11.2 Tender document sent by Speed Post /Registered Post /Courier /Fax /Mail or any other related mode, other than by online submission through www.eprocure.gov.in shall be ignored.

12. Tender currencies

12.1 The tenderer supplying indigenous goods or already imported goods shall quote only in Indian Rupees.

12.2 For imported goods if supplied directly from abroad, prices shall be quoted in any freely convertible currency say US Dollar, Euro, GBP or Japanese Yen. As regards price(s) for allied services, if any required with the goods, the same shall be converted to Indian Rupees only if such services are to be performed /undertaken in India. Commission for Indian Agent, if any and if payable shall be indicated in the space provided for in the price schedule and will be converted/payable in Indian Rupees only.

12.3 Tenders, where prices are quoted in any other way shall be treated as non-responsive and rejected.
13 Tender Prices

13.1 The Tenderer shall indicate on the Price Schedule (BOQ - Financial Bid) provided all the specified components of prices shown therein including the unit prices and total tender prices of the goods and services it proposes to supply against the requirement. All the columns shown in the price schedule should be filled up as required. If any column does not apply to a tenderer, the same should be left blank.

13.2 If there is more than one schedule in the List of Requirements, the tenderer has the option to submit its quotation for any one or more schedules and, also, to offer special discount for combined schedules. However, while quoting for a schedule, the tenderer shall quote for the complete requirement of goods and services as specified in that particular schedule.

13.3 The quoted prices for goods offered from within India and that for goods offered from abroad are to be indicated separately in the applicable Price Schedules (BOQ – Financial Bid).

13.4 While filling up the columns of the Price Schedule (BOQ – Financial Bid), the following aspects should be noted for compliance:

13.4.1 For domestic goods or goods of foreign origin located within India, the prices in the corresponding price schedule shall be entered separately in the following manner:

a) The price of the goods, quoted ex-factory/ ex-showroom/ ex-warehouse/ off-the-shelf, as applicable, including all taxes and duties like GST, CGST, IGST, Custom Duty, Excise Duty etc. already paid or payable on the components and raw material used in the manufacture or assembly of the goods quoted ex-factory etc. or on the previously imported goods of foreign origin quoted ex-showroom etc;

b) Any sales or other taxes and any duties including excise duty, which will be payable on the goods in India if the contract is awarded;

c) Charges towards Packing & Forwarding, Inland Transportation, Insurance, Loading/Unloading and other local costs incidental to delivery of the goods to their final destination as specified in the List of Requirements and Price Schedule;

d) The price of Incidental Services, as mentioned in List of Requirements and Price Schedule;

e) The prices of Turnkey (if any), as mentioned in List of Requirements, Technical Specification and Price Schedule;

f) The price of annual CMC, as mentioned in List of Requirements, Technical Specification and Price Schedule.

13.4.2 For goods offered from abroad, the prices in the corresponding price schedule shall be entered separately in the following manner:

a) The price of goods quoted FOB port of shipment, as indicated in the List of Requirements and Price Schedule;

b) The price of goods quoted CIF port of entry in India as indicated in the List of Requirements and Price Schedule;

c) The price of goods quoted DDP at consignee site in India as indicated in the List of Requirements, Price Schedule and Consignee List;

d) Wherever applicable, the amount of custom duty with CDEC applicable on CIF value on the goods to be imported;

e) The charges for Loading/Unloading, Inland transportation, Insurance and other local costs, Incidental cost to delivery of the goods from the port of entry in India to Consignee Site, as specified in the List of Requirements and Price Schedule;

f) The charges for Incidental Services, as in the List of Requirements and Price Schedule;

g) The prices of Turnkey (if any), as mentioned in List of Requirements, Technical Specification and Price Schedule; and
13.5 Additional information and instruction on Duties and Taxes:

13.5.1 If the Tenderer desires to ask for Excise duty, GST, CGST, IGST, Custom Duty, Works Contract Tax etc. to be paid extra, the same must be specifically stated. In the absence of any such stipulation the price will be taken inclusive of such duties and taxes and no claim for the same will be entertained later.

13.5.2 Excise Duty:

a) If reimbursement of excise duty is intended as extra over the quoted prices, the supplier must specifically say so also indicating the rate, quantum and nature of the duty applicable. In the absence of any such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of excise duty will be entertained after the opening of tenders.

b) If a Tenderer chooses to quote a price inclusive of excise duty and also desires to be reimbursed for variation, if any, in the excise duty during the time of supply, the tenderer must clearly mention the same and also indicate the rate and quantum of excise duty included in its price. Failure to indicate all such details in clear terms may result in rejection of that tender.

c) Subject to sub clauses 13.5.2 (a) & (b) above, any change in excise duty upward/downward as a result of any statutory variation in excise duty taking place within contract terms shall be allowed to the extent of actual quantum of excise duty paid by the supplier. In case of downward revision in excise duty, the actual quantum of reduction of excise duty shall be reimbursed to the purchaser by the supplier. All such adjustments shall include all reliefs, exemptions, rebates, concession etc. if any obtained by the supplier.

13.5.3 Goods and Service Tax (GST):

If a tenderer asks for GST, CGST, IGST and Works Contract Tax to be paid extra, the rate and nature of sales tax applicable should be shown separately. The GST, CGST, IGST and Works Contract Tax will be paid as per the rate at which it is liable to be assessed or has actually been assessed provided the transaction of sale is legally liable to GST, CGST, IGST and Works Contract Tax and is payable as per the terms of the contract. If any refund of Tax is received at a later date, the Supplier must return the amount forthwith to the purchaser.

13.5.4 Octroi Duty and Local Duties & Taxes:

Normally, goods to be supplied to government departments against government contracts are exempted from levy of town duty, Octroi duty, terminal tax and other levies of local bodies. However, on some occasions, the local bodies (like town body, municipal body etc.) as per their regulations allow such exemptions only on production of certificate to this effect from the concerned government department. Keeping this in view, the supplier shall ensure that the stores to be supplied by the supplier against the contract placed by the purchaser are exempted from levy of any such duty or tax and, wherever necessary, obtain the exemption certificate from the purchaser.

However, if a local body still insists upon payment of such local duties and taxes, the same should be paid by the supplier to the local body to avoid delay in supplies and possible demurrage charges and obtain a receipt for the same. The supplier should forward the receipt obtained for such payment to the purchaser to enable the purchaser reimburse the supplier and take other necessary action in the matter.

13.5.5 Customs Duty:

In respect of imported stores offered from abroad, the tenderer shall specify the rate as well as the total amount of customs duty payable with CDEC, if applicable, on the quoted goods in the Price Schedule. The tenderer shall also indicate the corresponding Indian Customs Tariff Number applicable for the goods in question.

13.6 For transportation of imported goods offered from abroad, relevant instructions as incorporated under GCC Clause 10 shall be followed.

13.7 For insurance of goods to be supplied, relevant instructions as provided under GCC Clause 11 shall be followed.

13.8 Unless otherwise specifically indicated in this TE document, the terms FCA, FOB, FAS, CIF, CIP, DDP etc. for imported goods offered from abroad, shall be governed by the rules & regulations prescribed in the current edition of INCOTERMS, published by the International Chamber of Commerce, Paris.
The need for indication of all such price components by the tenderers, as required in this clause (viz., GIT clause 13) is for the purpose of comparison of the tenders by the purchaser and will no way restrict the purchaser’s right to award the contract on the selected tenderer on any of the terms offered.

**14. Indian Agent**

14.1 If a foreign tenderer has engaged an agent in India in connection with its tender, the foreign tenderer, in addition to indicating Indian agent’s commission, if any, in a manner described under GIT sub clause 12.2 above, shall also furnish the following information:

a) The complete name and address of the Indian Agent and its permanent income tax account number as allotted by the Indian Income Tax authority.

b) The details of the services to be rendered by the agent for the subject requirement.

c) Details of Service outlets in India, nearest to the consignee(s), to render services during Warranty.

**15. Firm Price**

15.1 Unless otherwise specified in the SIT, prices quoted by the tenderer shall remain firm and fixed during the currency of the contract and not subject to variation on any account.

15.2 However, as regards taxes and duties, if any, chargeable on the goods and payable, the conditions stipulated in GIT clause 13 will apply.

**16. Alternative Tenders**

16.1 Alternative Tenders are not permitted.

16.2 If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product. In a tender, either the Indian Agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender.

**17 Documents Establishing Tenderer’s Eligibility and Qualifications**

17.1 Pursuant to GIT clause 11, the tenderer shall furnish, as part of its tender, relevant details and documents establishing its eligibility to quote and its qualifications to perform the contract if its tender is accepted.

17.2 The documentary evidence needed to establish the tenderer’s qualifications shall fulfil the following requirements:

a) In case the tenderer offers to supply goods, which are manufactured by some other firm, the tenderer has been duly authorised by the goods manufacturer to quote for and supply the goods to the purchaser. The tenderer shall submit the manufacturer’s authorization letter to this effect as per the standard form provided under Section XIV in this document.

b) The tenderer has the required financial, technical and production capability necessary to perform the contract and, further, it meets the qualification criteria incorporated in the Section IX in these documents.

c) In case the tenderer is not doing business in India, it is duly represented by an agent stationed in India fully equipped and able to carry out the required contractual functions and duties of the supplier including after sale service, maintenance & repair etc. of the goods in question, stocking of spare parts and fast moving components and other obligations, if any, specified in the conditions of contract and/or technical specifications.

d) In case the tenderer is an Indian agent/authorized representative quoting on behalf of a foreign manufacturer for the **restricted item**, the Indian agent/authorized representative is already enlisted under the Compulsory Enlistment Scheme of Ministry of Finance, Govt. of India, operated through Directorate General of Supplies & Disposals (DGS&D), New Delhi.

e) With a view to encourage ‘Make in India’ and promote manufacturing and production of goods and services in India, preference will be given to domestically manufactured products, as per Ministry of Commerce and Industry, Department of Industrial and Policy and Promotion, Government of India Notification No: P -45021/2/2017-B.E.-II; dated: 15.06.2017.
18. Documents establishing Good's Conformity to TE document.

18.1 The tenderer shall provide in its tender the required as well as the relevant documents like technical data, literature, drawings etc. to establish that the goods and services offered in the tender fully conform to the goods and services specified by the purchaser in the TE documents. For this purpose the tenderer shall also provide a clause-by-clause commentary on the technical specifications and other technical details incorporated by the purchaser in the TE documents to establish technical responsiveness of the goods and services offered in its tender.

18.2 In case there is any variation and/or deviation between the goods & services prescribed by the purchaser and that offered by the tenderer, the tenderer shall list out the same in a chart form without ambiguity and provide the same along with its tender.

18.3 If a tenderer furnishes wrong and/or misleading data, statement(s) etc. about technical acceptability of the goods and services offered by it, its tender will be liable to be ignored and rejected in addition to other remedies available to the purchaser in this regard.

19. Earnest Money Deposit (EMD)

19.1 Pursuant to GIT clauses 8.1 and 11.1(d) the tenderer shall furnish along with its tender, earnest money for amount as shown in the List of Requirements. The earnest money is required to protect the purchaser against the risk of the tenderer’s unwarranted conduct as amplified under sub-clause 19.7 below.

19.2 The tenderers who are currently registered and, also, will continue to remain registered with the Central Purchase Organisation or the concerned Ministry or Department during the tender validity period for the specific goods as per tender enquiry specification shall be eligible for exemption from EMD. Vague stipulations in the Registration Certificate such as “to customers’ specification” etc. will not be acceptable for exemption from furnishing of earnest money. In case the tenderer falls in these categories, it should furnish copy of its valid registration details (as the case may be). The EMD shall be forfeited if successful bidder fails to undertake the contract or fails to comply with any of the terms & conditions of the contract.

19.3 The Earnest money shall be denominated in Indian Rupees or equivalent currencies as per GIT clause 12.2. The Earnest money shall be furnished in one of the following forms:

   i) Account Payee Demand Draft
   ii) Fixed Deposit Receipt
   iii) Banker’s cheque and
   iv) Bank Guarantee from any of the Commercial Banks

19.4 The Account Payee Demand Draft, Fixed Deposit Receipt, Banker’s cheque shall be drawn on any Commercial banks in India or country of the tenderer, in favour of the “Deputy Director (Admn.), NEIGRIHMS, Shillong”. In case of bank guarantee, the same is to be provided from any commercial bank in India or country of the tenderer as per the format specified under Section XIII in these documents.

19.5 The Earnest money shall be valid for a period of Forty Five (45) days beyond the validity period of the tender.

19.6 Unsuccessful tenderers’ earnest money will be returned to them without any interest, after expiry of the tender validity period, but not later than thirty days after conclusion of the resultant contract. Successful tenderer’s earnest money will be returned without any interest, after receipt of performance security from that tenderer.

19.7 Earnest Money is required to protect the purchaser against the risk of the Tenderer’s conduct, which would warrant the forfeiture of the EMD. Earnest money of a tenderer will be forfeited, if the tenderer withdraws or amends its tender or impairs or derogates from the tender in any respect within the period of validity of its tender or if it comes to notice that the information/documents furnished in its tender is incorrect, false, misleading or forged without prejudice to other rights of the purchaser. The successful tenderer’s earnest money will be forfeited without prejudice to other rights of Purchaser if it fails to furnish the required performance security within the specified period.

19.8 In the case of Bank Guarantee furnished from banks outside India (i.e. foreign Banks), it should be authenticated and countersigned by any nationalised bank in India by way of back-to-back counter guarantee.

20. Tender Validity
20.1 The tendered rates and the validity of bids shall be for a minimum period of 120 days year from the date, as the tender are finalized /awarded. Any tender valid for a shorter period shall be treated as unresponsive and rejected.

20.2 In exceptional cases, the tenderers may be requested by the purchaser to extend the validity of their tenders up to a specified period. Such request(s) and responses thereto shall be conveyed by surface mail or by fax/ telex/cable followed by surface mail. The tenderers, who agree to extend the tender validity, are to extend the same without any change or modification of their original tender and they are also to extend the validity period of the EMD accordingly. A tenderer, however, may not agree to extend its tender validity without forfeiting its EMD.

20.3 In case the day up to which the tenders are to remain valid falls on/ subsequently declared a holiday or closed day for the purchaser, the tender validity shall automatically be extended up to the next working day.

D. SUBMISSION OF TENDERS

22. Online Submission of Tenders
22.1 The tenderers are to submit the tenders online (Techno –Commercial bid and Finance bid) at www.eprocure.gov.in
22.2 The tenderers must ensure that they submit their tenders not later than the closing time and date specified.
22.3 The participating bidders in the tender should register themselves free of cost on e -procurement platform in the website www.eprocure.gov.in
22.4 Bidders can log-in to e-procurement platform in secure mode only by signing with the Digital Certificates.
22.5 The bidders who are desirous of participating in e -procurement shall submit their technical bids, price bids as per the standard formats available.
22.6 The bidders should scan and upload the respective documents in Technical Documentation as per the check list.
22.7 The rates should be quoted as per the BOQ downloaded for that particular tender.

23. Late Tender
23.1 Bidders should submit their tenders online within the specified date and time of submission.

24. Alteration and Withdrawal of Tender
24.1 No tender should be withdrawn after the deadline for submission of tender and before expiry of the tender validity period. If a tenderer withdraws the tender during this period, it will result in forfeiture of the Earnest money furnished by the tenderer in its tender.

E. TENDER OPENING

25. Opening of Tenders
25.1 The purchaser will open the tenders online at the specified date and time and at the specified place as indicated in the NIT.

In case the specified date of tender opening falls on / is subsequently declared a holiday or closed day for the purchaser, the tenders will be opened at the appointed time and place on the next working day.

25.2 Authorized representatives of the tenderers may attend the online tender opening provided they bring with them letters of authority from the corresponding tenderers.

The tender opening official(s) will prepare a list of the representatives attending the tender opening. The list will contain the representatives’ names & signatures and corresponding tenderers’ names and addresses.

25.3 Two - Tender system as mentioned in para 21.6 above will be as follows. The Techno - Commercial Tenders are to be opened in the first instance, at the prescribed time and date as indicated in NIT. These Tenders shall be scrutinized and evaluated by the competent committee/ authority with reference to parameters prescribed in the TE document. During the Techno - Commercial Tender opening, the tender opening official(s) will read the salient features of the tenders like brief description of the goods offered, delivery period, Earnest Money Deposit and any other special features of the tenders, as deemed fit by the
tender opening official(s). Thereafter, in the second stage, the Price Tenders of only the Techno - Commercially acceptable offers (as decided in the first stage) shall be opened for further scrutiny and evaluation on a date notified after the evaluation of the Techno – Commercial tender. The prices, special discount if any of the goods offered etc., as deemed fit by tender opening official(s) will be read out.

F. SCRUTINY AND EVALUATION OF TENDERS

26. Basic Principle

26.1 Tenders will be evaluated on the basis of the terms & conditions already incorporated in the TE document, based on which tenders have been received and the terms, conditions etc. mentioned by the tenderers in their tenders. No new condition will be brought in while scrutinizing and evaluating the tenders.

27. Preliminary Scrutiny of Tenders

27.1 The Purchaser will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished and whether the Tenders are generally in order.

27.2 Prior to the detailed evaluation of Price Tenders, pursuant to GIT Clause 34, the Purchaser will determine the substantial responsiveness of each Tender to the TE Document. For purposes of these clauses, a substantially responsive Tender is one, which conforms to all the terms and conditions of the TE Documents without material deviations. Deviations from, or objections or reservations to critical provisions such as those concerning Performance Security (GCC Clause 5), Warranty (GCC Clause 15), EMD (GIT Clause 19), Taxes & Duties (GCC Clause 20), Force Majeure (GCC Clause 26) and Applicable law (GCC Clause 31) will be deemed to be a material deviation. The Purchaser’s determination of a Tender’s responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

27.3 If a Tender is not substantially responsive, it will be rejected by the Purchaser.

27.4 The tenders will be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the TE document. The tenders, which do not meet the basic requirements, are liable to be treated as non–responsive and will be summarily ignored.

27.5 The following are some of the important aspects, for which a tender shall be declared non–responsive and will be summarily ignored:

(i) Tender form as per Section X (signed and stamped) is not uploaded.
(ii) Tender is to be digitally signed during the process of submitting/uploading.
(iii) Tender validity is shorter than the required period.
(iv) Required EMD (Amount, validity etc.)
(v) Tenderer has quoted for goods manufactured by other manufacturer(s) without the required Manufacturer’s Authorisation Form as per Section XIV.
(vi) Tenderer has not agreed to give the required performance security.
(vii) Goods offered are not meeting the tender enquiry specification.
(viii) Tenderer has not agreed to other essential condition(s) specially incorporated in the tender enquiry like terms of payment, liquidated damages clause, warranty clause, dispute resolution mechanism applicable law.
(ix) Poor/ unsatisfactory past performance.
(x) Tenderers who stand deregistered/banned/blacklisted by any Govt. Authorities.
(xi) Tenderer is not eligible as per GIT Clauses 5.1 & 17.1.
(xii) Tenderer has not quoted for the entire quantity as specified in the List of Requirements in the quoted schedule.

28. Minor Infirmity/Irregularity/Non-Conformity

28.1 If during the preliminary examination, the purchaser find any minor informality and/or irregularity and/or non-conformity in a tender, the purchaser may waive the same provided it does not constitute any material deviation and financial impact and, also, does not prejudice or affect the ranking order of the tenderers. Wherever necessary, the purchaser will convey its observation on such ‘minor’ issues to the tenderer by registered/speed post etc. asking the tenderer to respond by a specified date. If the tenderer does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that tender will be liable to be ignored.

29 Discrepancies in Prices
29.1 The prices offered by the bidders in the given BOQ will be taken as final. Claims, if any, in respect of any changes in the offered prices shall not be acceptable at any point of time.

29.2 If, as per the judgement of the purchaser, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the tenderer by registered / speed post. If the tenderer does not agree to the observation of the purchaser, the tender is liable to be ignored.

30. Discrepancy between original and copies of Tender

30.1 Deleted

31. Qualification Criteria

31.1 Tenders of the tenderers, who do not meet the required Qualification Criteria prescribed in Section IX, will be treated as non-responsive and will not be considered further.

32. Conversion of tender currencies to Indian Rupees

32.1 In case the TE document permits the tenderers to quote their prices in different currencies, all such quoted prices of the responsive tenderers will be converted to a single currency viz., Indian Rupees for the purpose of equitable comparison and evaluation, as per the reference rates established by the Reserve Bank of India for similar transactions, as on the date of price bid opening /approval of the competent authority /financial concurrence, whichever is lower.

33. Schedule-wise Evaluation

33.1 In case the List of Requirements contains more than one schedule, the responsive tenders will be evaluated and compared separately for each schedule. The tender for a schedule will not be considered if the complete requirements prescribed in that schedule are not included in the tender. However, as already mentioned in GIT sub clause 13.2, the tenderers have the option to quote for any one or more schedules and offer discounts for combined schedules. Such discounts wherever applicable will be taken into account to determine the lowest evaluated cost for the purchaser in deciding the successful tenderer for each schedule, subject to tenderer(s) being responsive.

34. Comparison of Tenders

Unless mentioned otherwise in Section – III – Special Instructions to Tenderers and Section – VI – List of Requirements, the comparison of the responsive tenders shall be carried out on Delivery Duty Paid (DDP) consignee site basis. The quoted turnkey prices will also be added for comparison/ranking purpose for evaluation.

35. Additional Factors and Parameters for Evaluation and Ranking of Responsive Tenders

35.1 Further to GIT Clause 34 above, the purchaser's evaluation of a tender will include and take into account the following:

i) In the case of goods manufactured in India or goods of foreign origin already located in India, GST & other similar taxes and excise duty & other similar duties, Customs Duties, Works Contract Tax etc which will be contractually payable (to the tenderer), on the goods if a contract is awarded on the tenderer; and

ii) in the case of goods of foreign origin offered from abroad, customs duty and other similar import duties/taxes, which will be contractually payable (to the tenderer) on the goods if the contract is awarded on the tenderer.

35.2 The purchaser’s evaluation of tender will also take into account the additional factors, if any, incorporated in SIT in the manner and to the extent indicated therein.

36. Tenderer’s capability to perform the contract

36.1 The purchaser, through the above process of tender scrutiny and tender evaluation will determine to its satisfaction whether the tenderer, whose tender has been determined as the lowest evaluated responsive tender is eligible, qualified and capable in all respects to perform the contract satisfactorily. If, there is more than one schedule in the List of Requirements, then, such determination will be made separately for each schedule.

36.2 The above-mentioned determination will, interalia, take into account the tenderer’s financial, technical and production capabilities for satisfying all the requirements of the purchaser as incorporated in the TE document. Such determination will be based upon scrutiny and examination of all relevant data and details.
TENDER ENQUIRY NO: NEIGR/S&P/OT/E-69/2017-18

submitted by the tenderer in its tender as well as such other allied information as deemed appropriate by the purchaser.

37. Contacting the Purchaser

37.1 From the time of submission of tender to the time of awarding the contract, if a tenderer needs to contact the purchaser for any reason relating to this tender enquiry and / or its tender, it should do so only in writing.

37.2 In case a tenderer attempts to influence the purchaser in the purchaser’s decision on scrutiny, comparison & evaluation of tenders and awarding the contract, the tender of the tenderer shall be liable for rejection in addition to appropriate administrative actions being taken against that tenderer, as deemed fit by the purchaser.

G. AWARD OF CONTRACT

38. Purchaser’s Right to accept any tender and to reject any or all tenders

38.1 The purchaser reserves the right to accept in part or in full any tender or reject any or more tender(s) without assigning any reason or to cancel the tendering process and reject all tenders at any time prior to award of contract, without incurring any liability, whatsoever to the affected tenderer or tenderers.

39. Award Criteria

39.1 Subject to GIT clause 38 above, the contract will be awarded to the lowest evaluated responsive tenderer decided by the purchaser in terms of GIT Clause 36.

40. Variation of Quantities at the Time of Award/ Currency of Contract

40.1 At the time of awarding the contract, the purchaser reserves the right to increase or decrease by up to twenty five (25) per cent, the quantity of goods and services mentioned in the schedule(s) in the “List of Requirements” (rounded of to next whole number) without any change in the unit price and other terms & conditions quoted by the tenderer.

40.2 If the quantity has not been increased at the time of the awarding the contract, the purchaser reserves the right to increase by up to twenty five (25) per cent, the quantity of goods and services mentioned in the contract (rounded of to next whole number) without any change in the unit price and other terms & conditions mentioned in the contract, during the currency of the contract.

41. Notification of Award

41.1 Before expiry of the tender validity period, the purchaser will notify the successful tenderer(s) in writing, by registered / speed post or by fax/ telex/cable (to be confirmed by registered / speed post) automatic e-mail generated communication, that its tender for goods & services, which have been selected by the purchaser, has been accepted, also briefly indicating therein the essential details like description, specification and quantity of the goods & services and corresponding prices accepted. The successful tenderer must furnish to the purchaser the required performance security within twenty-one days from the date of dispatch of this notification. Relevant details about the performance security have been provided under GCC Clause 5 under Section IV.

41.2 The Notification of Award shall constitute the conclusion of the Contract.

41.3 Bidders/tenderer undertake to sign the contract agreement within 15 (fifteen) days from the issue of the letter of acceptance /order, failing which EMD/Security deposit may be forfeited and name may be removed from the list of suppliers at NEIGRIHMS, Shillong.

42. Issue of Contract

42.1 Promptly after notification of award, the purchaser will mail the contract form (as per Section XVI) duly completed and signed, in duplicate, to the successful tenderer by registered / speed post.

42.2 Within fifteen days from the date of the contract, the successful tenderer shall return the original copy of the contract, duly signed and dated, to the purchaser by registered / speed post.

42.3 The purchaser reserves the right to issue the Notification of Award consignee wise.
43. **Non-receipt of Performance Security and Contract by the Purchaser**

43.1 Failure of the successful tenderer in providing performance security and / or returning contract copy duly signed in terms of GIT clauses 41 and 42 above shall make the tenderer liable for forfeiture of its EMD and, also, for further actions by the purchaser against it.

44. **Return of EMD**

44.1 The earnest money of the successful tenderer and the unsuccessful tenderers will be returned to them without any interest, whatsoever, in terms of GIT Clause 19.6.

45. **Publication of Tender Result**

45.1 The name and address of the successful tenderer(s) receiving the contract(s) will be mentioned in the CPPP/notice board/bulletin/web site /Stores & purchase section of the purchaser.

46. **Corrupt or Fraudulent Practices**

46.1 It is required by all concerned namely the Consignee/Tenderers/Suppliers etc to observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Purchaser:

   defines, for the purposes of this provision, the terms set forth below as follows:

   "corrupt practice" means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution; and
   "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Purchaser, and includes collusive practice among Tenderers (prior to or after Tender submission) designed to establish Tender prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition;

   Will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

   Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract by the purchaser if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing the contract.
SECTION - III
SPECIAL INSTRUCTIONS TO TENDERERS
(SIT)

The following Special Instructions to Tenderers will apply for this purchase. These special instructions will modify/substitute/supplement the corresponding General Instructions to Tenderers (GIT) incorporated in Section II. The corresponding GIT clause numbers have also been indicated in the text below:

In case of any conflict between the provision in the GIT and that in the SIT, the provision contained in the SIT shall prevail.

A  Preamble
No Change

B  TE documents
No Change

C  Preparation of Tenders
No Change

D  Submission of Tenders
GIT Clause 22.1

Tenderers shall ensure that their tenders, complete in all respects shall be scanned and submitted online at www.eprocure.gov.in within the stipulated date and time.

It is advised to all bidders to submit theirs bids well before the closing date/time to avoid any difficulties in bidding process during the closing hour.

E  Tender Opening
No Change

F  Scrutiny and Evaluation of Tenders
No Change

G  Award of Contract
No Change
SECTION - IV
GENERAL CONDITIONS OF CONTRACT (GCC)

1. Application

1.1 The General Conditions of Contract incorporated in this section shall be applicable for this purchase to the extent the same are not superseded by the Special Conditions of Contract prescribed under Section V, List of requirements under Section VI and Technical Specification under Section VII of this document.

2. Use of contract documents and information

2.1 The supplier shall not, without the purchaser’s prior written consent, disclose the contract or any provision thereof including any specification, drawing, sample or any information furnished by or on behalf of the purchaser in connection therewith, to any person other than the person(s) employed by the supplier in the performance of the contract emanating from this TE document. Further, any such disclosure to any such employed person shall be made in confidence and only so far as necessary for the purposes of such performance for this contract.

2.2 Further, the supplier shall not, without the purchaser’s prior written consent, make use of any document or information mentioned in GCC sub-clause 2.1 above except for the sole purpose of performing this contract.

2.3 Except the contract issued to the supplier, each and every other document mentioned in GCC sub-clause 2.1 above shall remain the property of the purchaser and, if advised by the purchaser, all copies of all such documents shall be returned to the purchaser on completion of the supplier’s performance and obligations under this contract.

3. Patent Rights

3.1 The supplier shall, at all times, indemnify and keep indemnified the purchaser, free of cost, against all claims which may arise in respect of goods & services to be provided by the supplier under the contract for infringement of any intellectual property rights or any other right protected by patent, registration of designs or trademarks. In the event of any such claim in respect of alleged breach of patent, registered designs, trade marks etc. being made against the purchaser, the purchaser shall notify the supplier of the same and the supplier shall, at his own expenses take care of the same for settlement without any liability to the purchaser.

4. Country of Origin

4.1 All goods and services to be supplied and provided for the contract shall have the origin in India or in the countries with which the Government of India has trade relations.

4.2 The word “origin” incorporated in this clause means the place from where the goods are mined, cultivated, grown, manufactured, produced or processed or from where the services are arranged.

The country of origin may be specified in the Price Schedule.

5. Performance Security

5.1 Within thirty (30) days from date of the issue of notification of award by the purchaser, the supplier, shall furnish performance security to the purchaser at 10% of the contract value costing more than 50 lakhs and 5% of the contract value costing less than 50 lakhs, valid up to sixty days after the date of completion of all contractual obligations by the supplier, including the warranty obligations.

5.2 The Performance security shall be denominated in Indian Rupees or in the currency of the contract as detailed below:

a) It shall be in any one of the forms namely Account Payee Demand Draft or Fixed Deposit Receipt drawn from any Scheduled bank in India or Bank Guarantee issued by a Scheduled bank in India, in the prescribed form as provided in section XV of this document in favour of the purchaser. The validity of the Fixed Deposit receipt or Bank Guarantee will be for a period up to 60 days beyond Warranty Period.
5.3 In the event of any failure /default of the supplier with or without any quantifiable loss to the government including furnishing of consignee wise Bank Guarantee security as per Proforma in Section XV, the amount of the performance security is liable to be forfeited.

5.4 In the event of any amendment issued to the contract, the supplier shall, within twenty-one (21) days of issue of the amendment, furnish the corresponding amendment to the Performance Security (as necessary), rendering the same valid in all respects in terms of the contract, as amended.

5.5 The supplier shall enter into Annual Comprehensive Maintenance Contract as per the ‘Contract Form – B’ in Section XVI with the purchaser/consignees, 3 (three) months prior to the completion of Warranty Period.

5.6 Subject to GCC sub-clause 5.3 above, the purchaser will release the Performance Security without any interest to the supplier on completion of the supplier’s all contractual obligations including the warranty obligations & after receipt of Consignee wise bank guarantee in favour of Head of the Institute/ or otherwise stated of the consignee as per the format in Section XV.

5.7 During maintenance & warranty period the bidder’s technical representative, shall attend to the machine /equipment within 48 hours and ensure uptime on immediate basis and shall ensure presence at NEIGRIHMS for 24 hours, after uptime is ensured.

6. Technical Specifications and Standards

6.1 The Goods & Services to be provided by the supplier under this contract shall conform to the technical specifications and quality control parameters mentioned in ‘Technical Specification’ and ‘Quality Control Requirements’ under Sections VII and VIII of this document.

7. Packing and Marking

7.1 The packing for the goods to be provided by the supplier should be strong and durable enough to withstand, without limitation, the entire journey during transit including transhipment (if any), rough handling, open storage etc. without any damage, deterioration etc. As and if necessary, the size, weights and volumes of the packing cases shall also take into consideration, the remoteness of the final destination of the goods and availability or otherwise of transport and handling facilities at all points during transit up to final destination as per the contract.

7.2 The quality of packing, the manner of marking within & outside the packages and provision of accompanying documentation shall strictly comply with the requirements as provided in Technical Specifications and Quality Control Requirements under Sections VII and VIII and in SCC under Section V. In case the packing requirements are amended due to issue of any amendment to the contract, the same shall also be taken care of by the supplier accordingly.

7.3 Packing instructions:

Unless otherwise mentioned in the Technical Specification and Quality Control Requirements under Sections VII and VIII and in SCC under Section V, the supplier shall make separate packages for each consignee (in case there is more than one consignee mentioned in the contract) and mark each package on three sides with the following with indelible paint of proper quality:

a. contract number and date
b. brief description of goods including quantity
c. packing list reference number
d. country of origin of goods
e. consignee’s name and full address and
f. supplier’s name and address

8. Inspection, Testing and Quality Control

8.1 The purchaser and/or its nominated representative(s) will, without any extra cost to the purchaser, inspect and/or test the ordered goods and the related services to confirm their conformity to the contract specifications and other quality control details incorporated in the contract. The purchaser shall inform the supplier in advance, in writing, the purchaser’s programme for such inspection and,
also the identity of the officials to be deputed for this purpose. The cost towards the transportation, boarding & lodging will be borne by the purchaser and/or its nominated representative(s).

8.2 The Technical Specification and Quality Control Requirements incorporated in the contract shall specify what inspections and tests are to be carried out and, also, where and how they are to be conducted. If such inspections and tests are conducted in the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data, shall be furnished by the supplier to the purchaser’s inspector at no charge to the purchaser.

If during such inspections and tests the contracted goods fail to conform to the required specifications and standards, the purchaser’s inspector may reject them and the supplier shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards, as required, free of cost to the purchaser and resubmit the same to the purchaser’s inspector for conducting the inspections and tests again.

8.4 In case the contract stipulates pre-despatch inspection of the ordered goods at supplier’s premises, the supplier shall put up the goods for such inspection to the purchaser’s inspector well ahead of the contractual delivery period, so that the purchaser’s inspector is able to complete the inspection within the contractual delivery period.

8.5 If the supplier tenders the goods to the purchaser’s inspector for inspection at the last moment without providing reasonable time to the inspector for completing the inspection within the contractual delivery period, the inspector may carry out the inspection and complete the formality beyond the contractual delivery period at the risk and expense of the supplier. The fact that the goods have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to the purchaser under the terms & conditions of the contract.

8.6 The purchaser’s/consignee’s contractual right to inspect, test and, if necessary, reject the goods after the goods’ arrival at the final destination shall have no bearing of the fact that the goods have previously been inspected and cleared by purchaser’s inspector during pre-despatch inspection mentioned above.

8.7 Goods accepted by the purchaser/consignee and/or its inspector at initial inspection and in final inspection in terms of the contract shall in no way dilute purchaser’s/consignee’s right to reject the same later, if found deficient in terms of the warranty clause of the contract, as incorporated under GCC Clause 15.

9. Terms of Delivery

9.1 Goods shall be delivered by the supplier in accordance with the terms of delivery specified in the contract.

10. Transportation of Goods

10.1 Instructions for transportation of imported goods offered from abroad:

Unless otherwise mentioned in SCC, the supplier shall follow the instructions mentioned below:

In case of FOB/FAS contracts, shipping arrangements shall be made by the Shipping Co-ordination and Chartering Division/Shipping Co-ordination and Officer, Ministry of Surface Transport, New Delhi, India. Notice about the readiness of Cargo for shipment shall be given by the supplier from time to time at least six weeks in advance for finalising the shipping arrangement, through Fax/Telex and courier, to the Chief Controller of Chartering, Shipping Co-ordination Officer, Ministry of Surface Transport, Government of India, New Delhi. Within three weeks of receipt of the advance notice, as above, the said Chief Controller of Chartering, Shipping Coordination Officer will advise the supplier, through Fax/Telex and courier when and on board what vessels, these goods or such part thereof are to be delivered.

If the advice for shipping arrangement is not furnished to the supplier within three weeks as aforesaid or if the vessel arranged is scheduled to arrive at the specified port of loading later than fifteen days of the date of readiness of cargo, as aforesaid, the supplier may arrange for such transport on alternative carriers with the prior written consent of the purchaser.
Where the supplier is required under the contract to deliver the goods on FOB/FAS basis and to arrange on behalf and at the expense of the purchaser for ocean transportation on Indian flag vessels or vessels of conference lines in which India is a member country, the supplier may arrange for such transportation on alternate carriers if the specified Indian flag vessels or conference vessels are not available to transport the goods within the time period(s) specified in the contract, with the prior written consent of the purchaser.

Should the goods or any part thereof be not delivered on the nominated vessel (except in case where prior written consent of the purchaser was obtained), the supplier will be liable for all payments and expenses that the purchaser may incur or be put to, by reason of such non-delivery including dead and extra freight, demurrage of vessels and any other charges, whatsoever incurred by the purchaser.

The supplier shall not arrange part-shipments and/or transhipment without the express/prior written consent of the purchaser. Where the supplier is required under the contract to deliver the goods under CIF/CIP terms, no further restriction shall be placed on the choice of the ocean carrier except that the shipment shall be made by Indian flag vessel or by vessels belonging to the conference lines in which India is a member country.

In case of airlifting of imported goods offered from abroad, the same will be done only through the National Carrier i.e. Air India wherever applicable.

10.2 Instructions for transportation of domestic goods including goods already imported by the supplier under its own arrangement:

In case no instruction is provided in this regard in the SCC, the supplier will arrange transportation of the ordered goods as per its own procedure.

10.3 In the case of FOB/FCA contract, the date of issue of the Bill of Lading/Air Way Bill shall be considered the date of delivery.

11. Insurance:

11.1 Unless otherwise instructed in the SCC, the supplier shall make arrangements for insuring the goods against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the following manner:

i) Wherever necessary, the goods supplied under the contract shall be fully insured in a freely convertible currency in the manner specified in the contract. If considered necessary, the insurance may be done for coverage on “all risks” basis including war risks and strike clauses. The amount to be covered under insurance should be sufficient to take care of the overall expenditure, which may be incurred due to any such damage, loss etc.

ii) where delivery of imported goods offered from abroad is required by the purchaser on CIF/CIP basis, the supplier shall arrange for insurance for an amount equal to one hundred and ten percent of the CIF or CIP value of the goods from “warehouse to warehouse” (final destination) on “all risks” basis including war risks and strikes and pay for the insurance, making the purchaser as the beneficiary.

iii) Where delivery is on FOB/FAS basis, marine/air insurance shall be the responsibility of the purchaser.

iv) in case of supply of domestic goods on Delivery Duty Paid (DDP) basis, the supplier shall be responsible till the entire stores contracted for arrive in good condition at destination. The transit risk in this respect shall be covered by the Supplier by getting the stores duly insured. The insurance cover shall be obtained by the Supplier in its own name and not in the name of the Purchaser or its Consignee.

12. Spare parts
If specified in the List of Requirements and in the resultant contract, the supplier shall supply/provide any or all of the following materials, information etc. pertaining to spare parts manufactured and/or supplied by the supplier:

a) The spare parts as selected by the purchaser to be purchased from the supplier, subject to the condition that such purchase of the spare parts shall not relieve the supplier of any contractual obligation including warranty obligations; and

b) In case the production of the spare parts is discontinued:

i) Sufficient advance notice to the purchaser before such discontinuation to provide adequate time to the purchaser to purchase the required spare parts etc., and

ii) Immediately following such discontinuation, providing the purchaser, free of cost, the designs, drawings, layouts and specifications of the spare parts, as and if requested by the purchaser.

Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the goods so that the same are supplied to the purchaser promptly on receipt of order from the purchaser.

13. Incidental services

13.1 Subject to the stipulation, if any, in the SCC (Section – V), List of Requirements (Section – VI) and the Technical Specification (Section – VII), the supplier shall be required to perform the following services.

i) Installation & commissioning, Supervision and Demonstration of the goods

ii) Providing required jigs and tools for assembly, minor civil works required for the completion of the installation.

iii) Training of Consignee’s Doctors, Staff, operators etc. for operating and maintaining the goods

iv) Supplying required number of operation & maintenance manual for the goods

The supplier shall send all the relevant despatch documents well in time to the purchaser to enable the purchaser clear or receive (as the case may be) the goods in terms of the contract.

Unless otherwise specified in the SCC, the usual documents involved and the drill to be followed in general for this purpose are as follows.

A) For Domestic Goods, including goods already imported by the supplier under its own arrangement

Two copies of packing list identifying contents of each package;
Inspection certificate issued by the nominated Inspection agency, if any.
Certificate of origin;
Insurance Certificate; &
Manufacturer’s/Supplier’s warranty certificate & In-house inspection certificate.

B) For goods imported from abroad
Within 24 hours of despatch, the supplier shall notify the purchaser, consignee, and others concerned if mentioned in the contract, the complete details of despatch and also supply the following documents to them by registered post / speed post (or as instructed in the contract):

- Four copies of supplier’s invoice showing contract number, goods description, quantity, unit price and total amount;
- Original and four copies of the negotiable clean, on-board Bill of Lading/Airway bill, marked freight pre paid and four copies of non-negotiable Bill of Lading/Airway bill;
- Four Copies of packing list identifying contents of each package;
- Insurance Certificate;
- Manufacturer’s/Supplier’s warranty certificate;
- Inspection certificate issued by the nominated inspection agency, if applicable as per contract;
- Manufacturer’s own factory inspection report;
- Certificate of origin
- Port of Loading;
- Port of Discharge and
- Expected date of arrival.

15. **Comprehensive Warranty**

15.1 The supplier warrants comprehensively that the goods supplied under the contract is new, unused and incorporate all recent improvements in design and materials unless prescribed otherwise by the purchaser in the contract. The supplier further warrants that the goods supplied under the contract shall have no defect arising from design, materials *(except when the design adopted and/or the material used are as per the purchaser’s specifications)* or workmanship or from any act or omission of the supplier, that may develop under normal use of the supplied goods under the conditions prevailing in India.

15.2 This warranty shall remain valid for five (5) years after the goods or any portion hereof as the case may be, have been delivered to the final destination and installed and commissioned at the final destination and accepted by the purchaser in terms of the contract, unless specified otherwise in the SCC.

   a. No conditional warranty like mishandling, manufacturing defects etc. will be acceptable.
   b. Warranty as well as Comprehensive Maintenance Contract will be inclusive of all accessories /spares and Turnkey work including:-
      - X-ray and CT tubes and high-tension cables.
      - Helium replacement
      - Any kind of motor.
      - Plastic & Glass Parts.
      - All kinds of sensors including oxygen sensors.
      - All kind of coils, probes and transducers including ECG cable, BP transducers, SpO2 Probes, Ultrasound and Colour Doppler Transducers/ probes, BP cuffs, Defibrillator, internal and external paddles, chart recorders, ventilator reusable patient circuits, servo humidifier with chamber, electrodes and probes for blood gas analyzer, MRI coils.
      - All kind of flat panel sensors and cassettes for DR & CR systems and patients handling trolleys
      - Printers and imagers including laser and thermal printers with all parts.
      - UPS including the replacement of batteries.
      - Air-conditioners, etc.....
   c. Replacement and repair will be undertaken for the defective goods.
   d. Proper marking has to be made for all spares for identification like printing of installation and repair dates.

15.3 In case of any claim arising out of this warranty, the purchaser/consignee shall promptly notify the same in writing to the supplier.
15.4 Upon receipt of such notice, the supplier shall, within 8 hours on a 24(hrs) X 7 (days) X 365 (days) basis, repair or replace the defective goods or parts thereof, free of cost, at the ultimate destination. The supplier shall take over the replaced parts/goods after providing their replacements and no claim, whatsoever shall lie on the purchaser for such replaced parts/goods thereafter.

15.5 In the event of any rectification of a defect or replacement of any defective goods during the warranty period, the warranty for the rectified/replaced goods shall be extended from the date such rectified/replaced goods starts functioning to the satisfaction of the purchaser.

15.6 If the supplier, having been notified, fails to rectify/replace the defect(s) within 8 hours on a 24(hrs) X 7 (days) X 365 (days) basis, the purchaser may proceed to take such remedial action(s) as deemed fit by the purchaser, at the risk and expense of the supplier and without prejudice to other contractual rights and remedies, which the purchaser may have against the supplier.

15.7 The Purchaser/Consignee reserve the rights to enter into Annual Comprehensive Maintenance Contract between Consignee and the Supplier for the period as mentioned in Section VII, Technical Specifications after the completion of warranty period.

15.8 The supplier along with its Indian Agent shall ensure continued supply of the spare parts for the machines and equipments supplied by them to the purchaser for 10 years after the expiry of Warrantee period.

15.9 The Supplier along with its Indian Agent shall always accord most favoured client status to the Purchaser vis-à-vis its other Clients/Purchasers of its equipments/machines/goods etc. and shall always give the most competitive price for its machines/equipments supplied to the Purchaser.

15.10 During maintenance & warranty period the bidder’s technical representative, shall attend to the machine/equipment within 48 hours and ensure uptime on immediate basis and shall ensure presence at NEIGRIHMS for 24 hours, after uptime is ensured.

16. Assignment

16.1 The Supplier shall not assign, either in whole or in part, its contractual duties, responsibilities and obligations to perform the contract, except with the Purchaser’s prior written permission.

17. Sub Contracts

17.1 The Supplier shall notify the Purchaser in writing of all sub contracts awarded under the contract if not already specified in its tender. Such notification, in its original tender or later, shall not relieve the supplier from any of its liability or obligation under the terms and conditions of the contract.

17.2 Sub contract shall be only for bought out items and sub-assemblies.

17.3 Sub contracts shall also comply with the provisions of GCC Clause 4 (“Country of Origin”).

18. Modification of contract

18.1 If necessary, the purchaser may, by a written order given to the supplier at any time during the currency of the contract, amend the contract by making alterations and modifications within the general scope of contract in any one or more of the following:

a) Specifications, drawings, designs etc. where goods to be supplied under the contract are to be specially manufactured for the purchaser,

b) Mode of packing,

c) Incidental services to be provided by the supplier

d) Mode of despatch,

e) Place of delivery, and
f) Any other area(s) of the contract, as felt necessary by the purchaser depending on the merits of the case.

18.2 In the event of any such modification/alteration causing increase or decrease in the cost of goods and services to be supplied and provided, or in the time required by the supplier to perform any obligation under the contract, an equitable adjustment shall be made in the contract price and/or contract delivery schedule, as the case may be, and the contract amended accordingly. If the supplier doesn’t agree to the adjustment made by the purchaser, the supplier shall convey its views to the purchaser within twenty-one days from the date of the supplier’s receipt of the purchaser’s amendment/modification of the contract.

19. Prices

19.1 Prices to be charged by the supplier for supply of goods and provision of services in terms of the contract shall not vary from the corresponding prices quoted by the supplier in its tender and incorporated in the contract except for any price adjustment authorised in the SCC.

20. Taxes and Duties

20.1 Supplier shall be entirely responsible for all taxes, duties, fees, levies etc. incurred until delivery of the contracted goods to the purchaser.

Further instruction, if any, shall be as provided in the SCC.

21. Terms and Mode of Payment

21.1 Payment Terms

Payment shall be made subject to recoveries, if any, by way of liquidated damages or any other charges as per terms & conditions of contract in the following manner.

A) Payment for Domestic Goods Or Foreign Origin Located Within India.

Payment shall be made in Indian Rupees as specified in the contract in the following manner:

On delivery:

90% payment of the contract price shall be paid on receipt of goods in good condition and upon the submission of the following documents:

- Four copies of supplier's invoice showing contract number, goods description, quantity, unit price and total amount;
- Consignee Receipt Certificate as per Section XVII in original issued by the authorized representative of the consignee;
- Two copies of packing list identifying contents of each package;
- Inspection certificate issued by the nominated Inspection agency, if any;
- Insurance Certificate;
- Certificate of origin.

On Acceptance:

Balance 10% payment would be made against ‘Final Acceptance Certificate’ as per Section XVIII of goods to be issued by the consignees subject to recoveries, if any, either on account of non-rectification of defects/deficiencies not attended by the Supplier or otherwise.

B) Payment for Imported Goods:

Payment for foreign currency portion shall be made in the currency as specified in the contract in the following manner:

I) FOB Contracts:

a) On Shipment:
Ninety (90) % of the net FOB price (FOB price less Indian Agency commission) of the goods dispatched shall be paid through irrevocable, non-transferable Letter of Credit (LC) opened in favour of the Foreign Principal in a bank in his country and upon submission of documents specified hereunder:

- Four copies of supplier’s invoice showing contract number, goods description, quantity, unit price and total amount;
- Original and four copies of the negotiable clean, on-board Bill of Lading /Airway Bill, marked freight pre paid and four copies of non-negotiable Bill of Lading /Airway Bill;
- Four Copies of packing list identifying contents of each package;
- Manufacturer's/Supplier’s warranty certificate;
- Inspection certificate issued by the nominated inspection agency, if applicable as per contract;
- Manufacturer’s own factory inspection report;
- Certificate of origin by the chamber of commerce of the concerned country;
- Port of Loading and
- Port of Discharge

The above documents (i - viii) shall also be received by the purchaser at least one week before arrival of goods at the port or place of arrival and, if not received, the Supplier will be responsible for any consequent expenses.

b) On Acceptance:

Balance payment of 10 % of net FOB price of goods would be made against ‘Final Acceptance Certificate’ as per Section XVIII to be issued by the consignees through irrevocable, non-transferable Letter of Credit (LC) opened in favour of the Foreign Principal in a bank in his country, subject to recoveries, if any.

c) Payment of Incidental Services (including Installation & Commissioning, Supervision, Demonstration and Training) will be paid in Indian Rupees to the Indian Agent on proof of 100 % payment to the Foreign Principal.

d) Payment of Indian Agency Commission:

Indian Agency commission will be paid to the manufacturer’s agent in the local currency for an amount in Indian rupees indicated in the relevant Price Schedule (as per prevailing reference rate established by the Reserve Bank of India on the date of price bid opening /approval of competent authority /financial concurrence, whichever is lower) and shall not be subject to further escalation / exchange variation. Payment shall be paid in Indian Rupees to the Indian Agent on proof of 100 % payment to the Foreign Principal.

II) DDP Contracts:

a) On Shipment:

Ninety (90) % of the net CIF price (CIF price less Indian Agency commission) of the opened in favour of the supplier in a bank in his country and upon submission of documents specified in 1(a)

b) On Acceptance:

Balance payment of 10 % of net CIF price of goods would be made against ‘Final Acceptance Certificate’ as per Section XVIII to be issued by the consignees through irrevocable, non-transferable Letter of Credit (LC) opened in favour of the Foreign Principal in a bank in his country, subject to recoveries, if any.

c) Payment of Custom Duty amount with CDEC (if applicable), Customs Clearance and handling charges, Loading/Unloading, Road permit charges, Inland Transportation, Incidental Costs till consignee site & Incidental Services (including Installation & Commissioning, Supervision, Demonstration and Training) will be paid in Indian Rupees to the Indian Agent on proof of 100 % payment to the Foreign Principal. Special permission (Road permit – entry in the state
of Meghalaya) shall be obtained from the office of Sales Tax, Government of Meghalaya by submitting the Proforma Invoice and cost of Court fee stamp /Revenue stamp. The Institute shall facilitate obtaining permission of the special permission.

d) **Payment of Indian Agency Commission:**

Indian Agency commission will be paid to the manufacturer’s agent in the local currency for an amount in Indian rupees indicated in the relevant Price Schedule (as per prevailing reference rate established by the Reserve Bank of India on the date of price bid opening /approval of the competent authority /financial concurrence, whichever is lower) and shall not be subject to further escalation / exchange variation. Payment shall be paid in Indian Rupees to the Indian Agent on proof of 100 % payment to the Foreign Principal.

C) **Payment of Turnkey, if any:**

Turnkey payment will be made to the manufacturer’s agent in Indian rupees indicated in the relevant Price Schedule (as per prevailing reference rate established by the Reserve Bank of India on the date of price bid opening /approval of the competent authority /financial concurrence, whichever is lower) and shall not be subject to further escalation /exchange variation. Payment shall be made in Indian Rupees to the Indian Agent on proof of 100 % payment to the Foreign Principal.

D) **Payment for Annual Comprehensive Maintenance Contract Charges:**

Deleted

21.2 The supplier shall not claim any interest on payments under the contract.

21.3 Where there is a statutory requirement for tax deduction at source, such deduction towards income tax and other tax as applicable will be made from the bills payable to the Supplier at rates as notified from time to time.

21.4 Irrevocable & non – transferable LC shall be opened by the purchaser/consignees. However, if the supplier requests specifically to open confirmed LC, the extra charges would be borne by the supplier. If LC is required to be extended and/or amended for reasons not attributable to the purchaser/consignee, the charges thereof shall be borne by the supplier.

21.5 The payment shall be made in the currency / currencies authorised in the contract.

21.6 The supplier shall send its claim for payment in writing, when contractually due, along with relevant documents etc., duly signed with date, to respective consignees.

21.7 While claiming payment, the supplier is also to certify in the bill that the payment being claimed is strictly in terms of the contract and all the obligations on the part of the supplier for claiming that payment has been fulfilled as required under the contract.

21.8 While claiming reimbursement of duties, taxes etc. (like GST, custom duty) from the purchaser, as and if permitted under the contract, the supplier shall also certify that, in case it gets any refund out of such taxes and duties from the concerned authorities at a later date, it (the supplier) shall refund to the purchaser forthwith.

21.9 In case where the supplier is not in a position to submit its bill for the balance payment for want of receipted copies of Inspection Note from the consignee/user department and the consignee/user department has not complained about the non-receipt, shortage, or defects in the supplies made, balance amount will be paid by the paying authority without consignee’s receipt certificate after three months from the date of the preceding part payment for the goods in question, subject to the following conditions:

(a) The supplier will make good any defect or deficiency that the consignee (s) may report within six months from the date of despatch of goods.

(b) Delay in supplies, if any, has been regularized.

(c) The contract price where it is subject to variation has been finalized.
(d) The supplier furnishes the following undertakings:

“I/We, __________________ certify that I/We have not received back the Inspection Note duly receipted by the consignee or any communication from the purchaser or the consignee about non-receipt, shortage or defects in the goods supplied. I/We ______ agree to make good any defect or deficiency that the consignee may report within three months from the date of receipt of this balance payment.

22. Delay in the supplier’s performance

22.1 The supplier shall deliver of the goods and perform the services under the contract within the time schedule specified by the purchaser in the List of Requirements and as incorporated in the contract.

22.2 Subject to the provision under GCC clause 26, any unexcused delay by the supplier in maintaining its contractual obligations towards delivery of goods and performance of services shall render the supplier liable to any or all of the following sanctions:

(i) Imposition of liquidated damages,
(ii) Forfeiture of its performance security and
(iii) Termination of the contract for default.

22.3 If at any time during the currency of the contract, the supplier encounters conditions hindering timely delivery of the goods and performance of services, the supplier shall promptly inform the purchaser in writing about the same and its likely duration and make a request to the purchaser for extension of the delivery schedule accordingly. On receiving the supplier's communication, the purchaser shall examine the situation as soon as possible and, at its discretion, may agree to extend the delivery schedule, with or without liquidated damages for completion of supplier’s contractual obligations by issuing an amendment to the contract.

22.4 When the period of delivery is extended due to unexcused delay by the supplier, the amendment letter extending the delivery period shall, interalia contain the following conditions:

(a) The purchaser shall recover from the supplier, under the provisions of the clause 23 of the General Conditions of Contract, liquidated damages on the goods and services, which the Supplier has failed to deliver within the delivery period stipulated in the contract.

(b) That no increase in price on account of any ground, whatsoever, including any stipulation n the contract for increase in price on any other ground and, also including statutory increase in or fresh imposition of customs duty, excise duty, GST, CGST, IGST and Works Contract Tax or on account of any other tax or duty which may be levied in respect of the goods and services specified in the contract, which takes place after the date of delivery stipulated in the contract shall be admissible on such of the said goods and services as are delivered and performed after the date of the delivery stipulated in the contract.

(c) But nevertheless, the purchaser shall be entitled to the benefit of any decrease in price on account of reduction in or remission of customs duty, excise duty, GST, CGST, IGST and Works Contract Tax or any other duty or tax or levy or on account of any other grounds, which takes place after the expiry of the date of delivery stipulated in the contract.

22.5 The supplier shall not dispatch the goods after expiry of the delivery period. The supplier is required to apply to the purchaser for extension of delivery period and obtain the same before despatch. In case the supplier dispatches the goods without obtaining an extension, it would be doing so at its own risk and no claim for payment for such supply and / or any other expense related to such supply shall lie against the purchaser.

23. Liquidated damages

23.1 Subject to GCC clause 26, if the supplier fails to deliver any or all of the goods or fails to perform the services within the time frame(s) incorporated in the contract, the purchaser shall, without prejudice to other rights and remedies available to the purchaser under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to 0.5% per week of delay or part thereof on delayed supply of goods and/or services until actual delivery or performance subject to a maximum of 10%
of the contract price. Once the maximum is reached purchaser may consider termination of the contract as per GCC 24.

During the above-mentioned delayed period of supply and / or performance, the conditions incorporated under GCC sub-clause 22.4 above shall also apply.

24. Termination for default

24.1 The purchaser, without prejudice to any other contractual rights and remedies available to it (the purchaser), may, by written notice of default sent to the supplier, terminate the contract in whole or in part, if the supplier fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC sub-clauses 22.3 and 22.4.

24.2 In the event of the purchaser terminates the contract in whole or in part, pursuant to CC sub-clause 24.1 above, the purchaser may procure goods and/or services similar to those cancelled, with such terms and conditions and in such manner as it deems fit and the supplier shall be liable to the purchaser for the extra expenditure, if any, incurred by the purchaser for arranging such procurement.

24.3 Unless otherwise instructed by the purchaser, the supplier shall continue to perform the contract to the extent not terminated.

25. Termination for insolvency

25.1 If the supplier becomes bankrupt or otherwise insolvent, the purchaser reserves the right to terminate the contract at any time, by serving written notice to the supplier without any compensation, whatsoever, to the supplier, subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and / or will accrue thereafter to the purchaser.

26. Force Majeure

26.1 Notwithstanding the provisions contained in GCC clauses 22, 23 and 24, the supplier shall not be liable for imposition of any such sanction so long the delay and/or failure of the supplier in fulfilling its obligations under the contract is the result of an event of Force Majeure.

26.2 For purposes of this clause, Force Majeure means an event beyond the control of the supplier and not involving the supplier’s fault or negligence and which is not foreseeable and not brought about at the instance of , the party claiming to be affected by such event and which has caused the non – performance or delay in performance. Such events may include, but are not restricted to, acts of the purchaser either in its sovereign or contractual capacity, wars or revolts, hostility, acts of public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes excluding by its employees , lockouts excluding  by its management, and freight embargoes.

26.3 If a Force Majeure situation arises, the supplier shall promptly notify the purchaser in writing of such conditions and the cause thereof within twenty one days of occurrence of such event. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

26.4 If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.

26.5 In case due to a Force Majeure event the purchaser is unable to fulfil its contractual commitment and responsibility, the purchaser will notify the supplier accordingly and subsequent actions taken on similar lines described in above sub-paragraphs.

27. Termination for convenience

27.1 The purchaser reserves the right to terminate the contract, in whole or in part for its (purchaser’s) convenience, by serving written notice on the supplier at any time during the currency of the
contract. The notice shall specify that the termination is for the convenience of the purchaser. The notice shall also indicate interalia, the extent to which the supplier’s performance under the contract is terminated, and the date with effect from which such termination will become effective.

27.2 The goods and services which are complete and ready in terms of the contract for delivery and performance within thirty days after the supplier’s receipt of the notice of termination shall be accepted by the purchaser following the contract terms, conditions and prices. For the remaining goods and services, the purchaser may decide:

a) To get any portion of the balance completed and delivered at the contract terms, conditions and prices; and/or

b) To cancel the remaining portion of the goods and services and compensate the supplier by paying an agreed amount for the cost incurred by the supplier towards the remaining portion of the goods and services.

28. Governing language

28.1 The contract shall be written in English language following the provision as contained in GIT clause 4. All correspondence and other documents pertaining to the contract, which the parties exchange, shall also be written accordingly in that language.

29. Notices

29.1 Notice, if any, relating to the contract given by one party to the other, shall be sent in writing or by cable or telex or facsimile and confirmed in writing. The procedure will also provide the sender of the notice, the proof of receipt of the notice by the receiver. The addresses of the parties for exchanging such notices will be the addresses as incorporated in the contract.

29.2 The effective date of a notice shall be either the date when delivered to the recipient or the effective date specifically mentioned in the notice, whichever is later.

30. Resolution of disputes

30.1 If dispute or difference of any kind shall arise between the purchaser and the supplier in connection with or relating to the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.

30.2 If the parties fail to resolve their dispute or difference by such mutual consultation within twenty-one days of its occurrence, then, unless otherwise provided in the SCC, either the purchaser or the supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided the applicable arbitration procedure will be as per the Arbitration and Conciliation Act, 1996 of India. In the case of a dispute or difference arising between the Purchaser/Consignee and Supplier relating to any matter arising out of or connected with the contract, such dispute or difference shall be referred to Director, NEIGRIHMS, Shillong and the decision of Director, NEIGRIHMS, shall be final and binding on the parties to the contract.

30.3 Venue of Arbitration: The venue of arbitration shall be the place from where the contract has been issued, i.e., Shillong.

30.4 The courts at Shillong will have the jurisdiction to try any matter, dispute or reference between the parties arising out of the contract. It is specifically agreed that no court outside and other than Shillong court shall have jurisdiction in the matter.

31. Applicable Law

The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force.

32. General/ Miscellaneous Clauses
Nothing contained in this Contract shall be constructed as establishing or creating between the parties, i.e. the Supplier/its Indian Agent/CMC Provider on the one side and the Purchaser on the other side, a relationship of master and servant or principal and agent.

Any failure on the part of any Party to exercise right or power under this Contract shall not operate as waiver thereof.

The Supplier shall notify the Purchaser/Director, NEIGRIHMS, Shillong of any material change would impact on performance of its obligations under this Contract.

Each member/constituent of the Supplier/its Indian Agent/CMC Provider, in case of consortium shall be jointly and severally liable to and responsible for all obligations towards the Purchaser/Director, NEIGRIHMS for performance of contract/services including that of its Associates/Sub Contractors under the Contract.

The Supplier/its Indian Agent/CMC Provider shall at all times, indemnify and keep indemnified the Purchaser/Director, NEIGRIHMS against all claims/damages etc. for any infringement of any Intellectual Property Rights (IPR) while providing its services under CMC or the Contract.

The Supplier/its Agent/CMC Provider shall, at all times, indemnify and keep indemnified the Purchaser/Director, NEIGRIHMS against any claims in respect of any damages or compensation payable in consequences of any accident or injury sustained or suffered by its employees or agents or by any other third party resulting from or by any action, omission or operation conducted by or on behalf of the supplier/its associate/affiliate etc.

All claims regarding indemnity shall survive the termination or expiry of the contract.
SECTION – V
SPECIAL CONDITIONS OF CONTRACT (SCC)

The following Special Conditions of Contract (SCC) will apply for this purchase. The corresponding clauses of General Conditions of Contract (GCC) relating to the SCC stipulations have also been incorporated below.

These Special Conditions will modify/substitute/supplement the corresponding (GCC) clauses.

Whenever there is any conflict between the provision in the GCC and that in the SCC, the provision contained in the SCC shall prevail.

Additional Requirement:
- Cost of all accessories, spares, consumables, disposables, cables, probes, etc should be offered by the bidder and the rates should be valid for a period of ten years. All bidders have to compulsorily declare the list with item wise cost of accessories and consumables not covered exclusively with the warranty of the offered system. The declaration of all accessories /consumables need to be detailed and shall be treated as per condition of contract and should be given in Section XI (B) Price Schedule.
- Warranty will be inclusive of all accessories /spares and turnkey works
- Bidder should give a written declaration that no other consumables /accessories /spares are required for the offered system apart from the quoted items /list.
- The cost of Accessories, Consumables not covered in warranty shall have to be offered in the techno –commercial bid in the schedule “marked” Section XI (B)) Price Schedule and cost to be offered in percentage (against the item quoted) of FOB Price /Ex –Factory Price of BOQ (Price Bid).
- Equipment/Instrument with 5 years warranty (with turnkey works, if any) will be taken for the purpose of price evaluation.
- Should be CE/FDA/BIS/IS/ISO13485 certification standard approved products. Should confirm to all international safety standards, turnkey installation and with warranty and CMC as indicated and which shall be considered for the evaluation of the price bids

SPECIFICATION:
Cervical Spine Set: Including basic instruments for Lateral Mass Plate

</table>

The Instrument should be CE & FDA USA approved.
The Instrument and Container should be of the same parent company.
It should have reusable microbial barriers instead of disposable filters. The microbial barriers should be easy to remove and clean.
Lower Femur and Upper Tibia: Plating Instrumentation Solutions for:

**Large Fragment**
- The instrument set should contain Drill Bit with diameter 3.2mm, Length 145/120mm for quick coupling
- The instrument set should contain Drill Bit with diameter 4.5mm, Length 147/120mm for quick coupling
- The instrument set should contain large Countersink with length 180mm
- The instrument set should contain T-Handle with quick coupling of Length 80mm
- The instrument set should contain Tap for 4.5mm Cortex Screws with length 70/128mm
- The instrument set should contain Tap for 6.5mm Cancellous Bone Screws Length 195mm
- The instrument set should contain Double Drill Sleeve 4.5/3.2
- The instrument set should contain Insert Drill Sleeve 4.5/3.2, Length 80mm
- The instrument set should contain Double Drill Sleeve 6.5/3.2
- The instrument set should contain Large Screwdriver Shaft with hexagonal recess & length 100mm
- The instrument set should contain Large Screwdriver with hexagonal recess & groove with length 240mm
- The instrument set should contain Large Holding Sleeve of length 120mm
- The instrument set should contain Depth Gauge for 4.5 to 6.5mm Screws
- The instrument set should contain Sharp Hook, Length 155mm
- The instrument set should contain Articulated Tension Device
- The instrument set should contain Combination Wrench, 11mm, Length 140mm
- The instrument set should contain DCP® Drill Sleeve 4.5
- The instrument set should contain LC-DCP Drill Sleeve 4.5
- The instrument set should contain Universal Drill Sleeve 4.5
- The instrument set should contain Bending Template for DCP® 4.5 and LC-DCP 4.5, Length 210mm
- The instrument set should contain Bending Template for DCP® 4.5 and LC-DCP 4.5, Length 120mm
- The instrument set should contain Bending Template for DCP® 4.5 and LC-DCP 4.5, Length 155mm
- The instrument set should contain Ratchet Wrench, 11mm, Length 140mm
- The instrument set should contain Torque-Limiting Screwdriver, Length 25 5mm, for 3.5 mm hexagon
- The instrument set should contain Drill bit with diameter 3.5mm for metal
- The instrument set should contain Conical Extraction Screw for 4.5/6.5mm Screws
- The instrument set should contain Drill Bit with diameter 3.5mm, Length 110/85mm
- The instrument set should contain Screwdriver Shaft 3.5, self-retaining, L 110mm
- The instrument set should contain Threaded LCP Drill Guide for 4.3mm Drill Bit
- The instrument set should contain Screw Holding Sleeve for LCP 4.5/6.0
- The instrument set should contain Handle with Quick Coupling

**Upper Tibia - Small Fragment**
- The instrument set should contain Drill Bit with diameter 2.5mm & Length 110/85mm for quick coupling
- The instrument set should contain Drill Bit with diameter 3.5mm & Length 110/85mm, for quick coupling
- The instrument set should contain Countersink Shaft 3.5, Length 72mm
- The instrument set should contain Tap for 3.5mm Cortex Screws Length 50/110mm
- The instrument set should contain Tap for 4.0mm Cancellous Bone Screws Length 110mm
- The instrument set should contain Double Drill Sleeve 3.5/2.5
- The instrument set should contain Insert Drill Sleeve 3.5/2.5, Length 42mm Drill Bit with diameter 2.5mm
- The instrument set should contain Small Screwdriver with hexagonal recess with Holding Sleeve
- The instrument set should contain Countersink with length 180mm
- The instrument set should contain Small Screwdriver Shaft with hexagonal recess & groove, Length 200mm
- The instrument set should contain Small Screwdriver with hexagonal recess & Length 100mm for quick coupling
- The instrument set should contain Small Screwdriver with hexagonal recess & groove, length 200mm
- The instrument set should contain Holding Sleeve, Length 80mm
- The instrument set should contain Depth Gauge for 2.7mm to 4.0mm Screws
- The instrument set should contain Sharp Hook, Length 155mm
- The instrument set should contain Holding Clip 4.5 - 7.0mm
- The instrument set should contain Screw Forceps, self-retaining, Length 85mm
- The instrument set should contain DCP® Drill Sleeve 3.5 for neutral and load position
- The instrument set should contain Bending Iron, slit widths 4.5/2.5mm, Length 150mm, for Plates 2.7 and 3.5
- The instrument set should contain Bending Iron, slit widths 2.5/4.5mm, Length 150mm, for Plates 2.7 and 3.5
- The instrument set should contain Bending Pliers for Plates 2.4 to 4.0, Length 200mm
- The instrument set should contain Bending Template for DCP® 3.5 and LC-DCP 3.5, Length 87mm
- The instrument set should contain Bending Template for DCP® 3.5 and LC-DCP 3.5, Length 114mm
- The instrument set should contain Wire Bending Pliers, Length 155mm
- The instrument set should contain Bending Iron, for Kirschner Wires 1.25 to 2.5mm dia., Length 120mm
- The instrument set should contain Reduction Forceps with points, Length 130mm
- The instrument set should contain Reduction Forceps with points, wide, ratchet lock, Length 132mm
- The instrument set should contain Reduction Forceps, toothed, ratchet lock, Length 140mm
- The instrument set should contain Bone Holding Forceps, self-centering, speed lock, Length 190mm
- The instrument set should contain Retractor, small, 8mm wide, short narrow tip, Length 160mm
- The instrument set should contain Periosteal Elevator, round edge, 6mm wide, Length 200mm
- The instrument set should contain Retractor, 15mm wide, Length 160mm
- The instrument set should contain Torque-limiting Attachment for LCP 3.5, 1.5Nm
- The instrument set should contain Drill bit with diameter 2.5mm for metal
- The instrument set should contain Conical Extraction Screw for PC-Fix
- The instrument set should contain Drill Bit with diameter 2.8mm, Length 165mm for quick coupling
- The instrument set should contain Screwdriver Shaft 2.5, Length 80mm
- The instrument set should contain Screw Holding Sleeve for LCP 3.5
- The instrument set should contain Threaded LCP Drill Guide for 2.8mm Drill Bit
- The instrument set should contain Handle with Quick Coupling
General Instruments

- The instrument set should contain Small Sharp Bone Hook, Length 230mm
- The instrument set should contain Medium Sharp Bone Hook, Length 230mm
- The instrument set should contain Retractor, 8mm wide, short narrow tip, Length 220mm
- The instrument set should contain Retractor, 18mm wide, short narrow tip, Length 235mm
- The instrument set should contain Retractor, 24mm wide, long and wide tip, Length 270mm
- The instrument set should contain Curved shaft Periosteal Elevator, 14mm wide, Length 200mm
- The instrument set should contain Round edged Periosteal Elevator, 6mm wide, Length 200mm
- The instrument set should contain Straight shaft Periosteal Elevator, 14mm wide, Length 200mm
- The instrument set should contain Hammer 500g, Length 230mm
- The instrument set should contain Chisel Handle, Length 185mm
- The instrument set should contain Chisel Blade, 10mm wide, thickness 0.9mm, Length 81mm
- The instrument set should contain Chisel Blade, 16mm wide, thickness 0.9mm, Length 81mm
- The instrument set should contain Gouge, curved, for cancellous bone graft harvest, 10mm wide, Length 250mm
- The instrument set should contain Round edged Periosteal Elevator, 14mm wide, Length 220mm
- The instrument set should contain Curved shaft Periosteal Elevator, 10mm wide, Length 200mm
- The instrument set should contain Peeling Retractor, 6mm wide, Length 200mm
- The instrument set should contain Large Sharp Bone Hook, Length 230mm

Lower Femur and Upper Tibia:

LCP Distal Femur 4.5/5mm

- The Distal Femur LCP Plate should be precontoured to give an anatomical fit and fix fractures of distal femur ranging from articular to shaft area of distal third of femur.
- The plate should have a distal spoon shape part called as “head of the plate” with 7 threaded holes that can accept 5mm Locking Head Screws.
- The head of the plate should also have a three point seating to accept a guiding block or insertion guide for the usage of drill sleeves.
- The head of the plate should atleast have a profile of 3mm and a width of atleast 33mm in the widest area.
- The shaft of the plate should have combination holes that allow choosing between an angular-stable fixation with 5mm LHS and a dynamic compression with 4.5mm standard cortical screws.
- The shaft of the plate should have a profile of 5.5mm and minimum width of 16mm.
- The threaded area of the shaft holes should also accept the 5mm Periprosthetic screws.
- The plate should have a MIPO (Minimally Invasive Plate Osteosynthesis) tapered tip that allows an easier minimal insertion.
- The bullet nose tip of the plate should have a thickness of 2.9mm.
- The implant should be made of an alloy of Titanium i.e. TiAl6Nd7.
- This plate should be available in 5 lengths ranging from 5 till 13 shaft holes in right and left versions, 2 numbers each.
- The plate should be available in lengths ranging from 156mm till 316mm in 40mm increments.

LCP Proximal Lateral Tibia 4.5/5mm

- The Proximal Lateral Tibia plate should be precontoured to give an anatomical fit and fix fractures of proximal tibia ranging from articular to shaft area of proximal third of tibia.
- The head of the plate should be designed to sit properly of the lateral tibial plateau with 5 threaded holes that allows the usage of 5mm Locking Head Screws.
- The head of the plate should also have a three point seating that allows the application of a guiding block for using the drill sleeves.
- The shaft of the plate should have combination holes that allow choosing between an angular-stable fixation with 5mm LHS and a dynamic compression with 4.5mm standard cortical screws.
- The head of the plate should have a profile of around 2.5mm and the shaft of the plate should have a profile of around 5mm.
- The threaded area of the shaft holes should also accept the 5mm Periprosthetic screws.
- The plate should have a MIPO (Minimally Invasive Plate Osteosynthesis) tapered tip that allows an easier minimal insertion.
- The bullet nose tip of the plate should have a thickness of 2.3mm.
- The implant should be made of an alloy of Titanium i.e. TiAl6Nd7.
- This plate should be available in 5 lengths ranging from 5 till 13 shaft holes in right and left versions, 2 numbers each.
- The plate should be available in lengths ranging from 156mm till 316mm in 40mm increments.

3.5 Proximal Tibia Plate

- The Proximal Tibia plate should be precontoured to give an anatomical fit and fix fractures of proximal tibia.
- The head of the plate should be designed to sit properly of the lateral tibial plateau with 4 threaded holes of Ø 4mm each that allows the usage of 3.5mm Locking Head Screws parallel to each other.
- The head of the plate should also have 3 holes of Ø 2mm each to accept K wires for preliminary fixation and also allows suturing in case of a Meniscal tear.
- The head of the plate should have a length of around 33mm and breadth of around 12mm.
- The neck of the plate should have 3 oblique locking options that converge with the locking head screws placed in the head of the plate.
- The shaft of the plate should have combination holes that allow choosing between an angular-stable fixation with 3.5 mm LHS and a dynamic compression with 3.5mm standard cortical screws.
- The shaft of the plate should have a width of around 11mm with undercuts.
- The most distal hole in the plate should accept Articulated Tension Device.
- The plate should have a MIPO (Minimally Invasive Plate Osteosynthesis) tapered tip that allows an easier minimal insertion.
- The implant should be made of commercially pure titanium – Ti4.
- The plate should be available in 4 till 16 holes in the shaft and length should range between 81mm and 237mm in 26mm increments, 2 numbers each available for both Left and Right side.

3.5 Medial Proximal Tibia Plate

- The Proximal Tibia plate should be precontoured to give an anatomical fit and fix fractures of proximal tibia.
- The head of the plate should be designed to sit properly of the medial tibial plateau with 3 threaded holes of Ø 4mm each that allows the usage of 3.5mm Locking Head Screws parallel to each other.
- The head of the plate should also have 2 holes of Ø 2mm each to accept K wires for preliminary fixation and also allows suturing in case of a Meniscal tear.
The instrument set should contain Drill Bit with diameter 2.5mm & Length 110/85mm for quick coupling.

The shaft of the plate should have combination holes that allow choosing between an angular-stable fixation with 3.5 mm LHS and a dynamic compression with 3.5mm standard cortical screws.

The most distal hole in the plate should accept Articulated Tension Device.

The plate should have a MIPO (Minimally Invasive Plate Osteosynthesis) tapered tip that allows an easier minimal insertion.

The implant should be made of commercially pure titanium – Ti4

The plate should be available in 4 till 20 holes in the shaft and length should range between 93mm and 301mm in 26mm increments, 2 numbers each available for both Left and Right side.

**LOWER TIBIA - LCP Distal Tibia Plate 2.7/3.5mm**

**Instruments – Lower Tibia: Small Fragment set for lower tibia**

- The instrument set should contain Drill Bit with diameter 2.5mm & Length 110/85mm for quick coupling
- The instrument set should contain Drill Bit with diameter 3.5mm & Length 110/85mm, for quick coupling
- The instrument set should contain Countersink Shaft 3.5, Length 72mm
- The instrument set should contain Tap for 3.5mm Cortex Screws Length 50/110mm
- The instrument set should contain Tap for 4.0mm Cancellous Bone Screws Length 110mm
- The instrument set should contain T-Handle with quick coupling, Length 80mm
- The instrument set should contain Double Drill Sleeve 3.5/2.5
- The instrument set should contain Insert Drill Sleeve 3.5/2.5, Length 42mm Drill Bit with diameter 2.5mm
- The instrument set should contain Small Screwdriver Shaft with hexagonal recess & length 100mm
- The instrument set should contain Bending Iron, slit widths 2.5/4.5mm, Length 150mm, for Plates 2.7 and 3.5
- The instrument set should contain Bending Iron, slit widths 2.5/4.5mm, Length 150mm, for Plates 2.7 and 3.5
- The instrument set should contain Bending Irons for Plates 2.4 to 4.0, Length 230mm
- The instrument set should contain Bending Template for DCP® 3.5 and LC-DCP 3.5, Length 87mm
- The instrument set should contain Bending Template for DCP® 3.5 and LC-DCP 3.5, Length 114mm
- The instrument set should contain Depth Gauge for 2.7mm to 4.0mm Screws
- The instrument set should contain Sharp Hook, Length 155mm
- The instrument set should contain Holding Clip 4.5 - 7.0mm
- The instrument set should contain Screw Forceps, self-retaining, Length 85mm
- The instrument set should contain DCP® Drill Sleeve 3.5 for neutral and load position
- The instrument set should contain Bending Iron, slit widths 4.5/2.5mm, Length 150mm, for Plates 2.7 and 3.5
- The instrument set should contain Bending Iron, slit widths 2.5/4.5mm, Length 150mm, for Plates 2.7 and 3.5
- The instrument set should contain Bending Pliers for Plates 2.4 to 4.0, Length 230mm
- The instrument set should contain Wire Bending Pliers, Length 155mm
- The instrument set should contain Bending Iron, for Kirschner Wires 1.25 to 2.5mm dia., Length 120mm
- The instrument set should contain Reduction Forceps with points, Length 130mm
- The instrument set should contain Reduction Forceps with points, wide, ratchet lock, Length 132mm
- The instrument set should contain Reduction Forceps, toothed, ratchet lock, Length 140mm
- The instrument set should contain Bone Holding Forceps, self-centering, speed lock, Length 190mm
- The instrument set should contain Retractor, small, 8mm wide, short narrow tip, Length 160mm
- The instrument set should contain Periosteal Elevator, round edge, 6mm wide, Length 200mm
- The instrument set should contain Refractor, 15mm wide, Length 160mm
- The instrument set should contain Torque-limiting Attachment for LCP 3.5, 1.5Nm
- The instrument set should contain Drill bit with diameter 2.5mm for metal
- The instrument set should contain Conical Extraction Screw for PC-Fix
- The instrument set should contain Drill Bit with diameter 2.8mm, Length 165mm for quick coupling
- The instrument set should contain Screwdriver Shaft 2.5, Length 80mm
- The instrument set should contain Screw Holding Sleeve for LCP 3.5
- The instrument set should contain Threaded LCP Drill Guide for 2.8mm Drill Bit
- The instrument set should contain Handle with Quick Coupling

**Instruments – Lower Tibia: Large Fragment**

- The instrument set should contain Drill Bit with diameter 3.2mm, Length 145/120mm for quick coupling
- The instrument set should contain Drill Bit with diameter 4.5mm, Length 147/120mm for quick coupling
- The instrument set should contain large Countersink with length 180mm
- The instrument set should contain T-Handle with quick coupling of Length 80mm
- The instrument set should contain Tap for 4.5mm Cortex Screws with length 70/125mm
- The instrument set should contain Tap for 6.5mm Cancellous Bone Screws Length 195mm
- The instrument set should contain Double Drill Sleeve 4.5/3.2
- The instrument set should contain Insert Drill Sleeve 4.5/3.2, Length 80mm
- The instrument set should contain Double Drill Sleeve 6.5/3.2
- The instrument set should contain Large Screwdriver Shaft with hexagonal recess & length 100mm
- The instrument set should contain Large Screwdriver with hexagonal recess & groove with length 240mm
- The instrument set should contain Large Holding Sleeve of length 120mm
- The instrument set should contain Depth Gauge for 4.5 to 8.5mm Screws
- The instrument set should contain Sharp Hook, Length 155mm
- The instrument set should contain Articulated Tension Device
- The instrument set should contain Combination Wrench, 11mm, Length 140mm
- The instrument set should contain DCP® Drill Sleeve 4.5
- The instrument set should contain LC-DCP Drill Sleeve 4.5
- The instrument set should contain Universal Drill Sleeve 4.5
- The instrument set should contain Bending Template for DCP® 4.5 and LC-DCP 4.5, Length 210mm
- The instrument set should contain Bending Template for DCP® 4.5 and LC-DCP 4.5, Length 120mm
TENDER ENQUIRY NO: NEIGR/S&P/OT/E-69/2017 - 18

The instrument set should contain Bending Template for DCP® 4.5 and LC-DCP 4.5, Length 155mm
The instrument set should contain Ratchet Wrench, 11mm, Length 140mm
The instrument set should contain Torque-Limiting Screwdriver, Length 25 5mm, for 3.5 mm hexagon
The instrument set should contain Drill bit with diameter 3.5mm for metal
The instrument set should contain Conical Extraction Screw for 4.5/6.5mm Screws
The instrument set should contain Drill Bit with diameter 4.3mm, Length 221mm
Screwdriver Shaft 3.5, self-retaining, L 110mm
The instrument set should contain Threaded LCP Drill Guide for 4.3mm Drill Bit
The instrument set should contain Screw Holding Sleeve for LCP 4.5/5.0
The instrument set should contain Handle with Quick Coupling

General Instruments

The instrument set should contain Small Sharp Bone Hook, Length 230mm
The instrument set should contain Medium Sharp Bone Hook, Length 230mm
The instrument set should contain Retractor, 8mm wide, short narrow tip, Length 220mm
The instrument set should contain Retractor, 18mm wide, short narrow tip, Length 235mm
The instrument set should contain Retractor, 24mm wide, long and wide tip, Length 270mm
The instrument set should contain Curved shaft Periosteal Elevator, 14mm wide, Length 200mm
The instrument set should contain Round edged Periosteal Elevator, 6mm wide, Length 200mm
The instrument set should contain Straight shaft Periosteal Elevator, 14mm wide, Length 200mm
The instrument set should contain Hammer 500g, Length 230mm
The instrument set should contain Chisel Handle, Length 185mm
The instrument set should contain Chisel Blade, 10mm wide, thickness 0.9mm, Length 81mm
The instrument set should contain Chisel Blade, 16mm wide, thickness 0.9mm, Length 81mm
The instrument set should contain Chisel Blade, 25mm wide, thickness 0.9mm, Length 81mm
The instrument set should contain Gouge, curved, for cancellous bone graft harvest., 10mm wide, Length 250mm

N.B: The Instrument set (LOWER TIBIA - LCP DISTAL TIBIA PLATE 2.7/3.5MM) has to be provided with compatible eight or nine hole plates (BOTH MEDIAL & ANTEROLATERAL PLATES: AT LEAST two anatomically contoured plates each for both right and left side with Material – TiCp. Anatomically pre-shaped low profile plate MEDIAL & ANTEROLATERAL, Two different plate designs to fit right or left tibia indicated with R or L on plate for MIPO technique for MBBS teaching purpose. The instruments should come with compatible Tray with lid.

</table>

The Instrument should be CE & FDA USA approved.
The Instrument and Container should be of the same parent company.
It should have reusable microbial barriers instead of disposable filters. The microbial barriers should be easy to remove and clean.

Upper Femur # Fixation Set
Instrumentation – for Proximal Femoral Nail A II

- The system should have Ø3.2mm guide wire.
- The system should have Ø2.8mm guide wire, 460mm in length with hook.
- Instrumentation should have Universal chuck with T handle.
- Instrumentation should have hexagonal wrench with T-Handle and an awl.
- The system should have a key for blade and a fixation sleeve to ensure safe insertion of the reamer.
- There should be a drill sleeve 8.0/4.0mm.
- The system should have a large hexagonal screwdriver, Ø 3.5mm, with groove, length 300mm.
- The system should have Protection Sleeve of 16.0/11.0 mm for the protection of soft tissues.
- The system should have Drill Sleeve of 11.0/3.2 mm for Blade.
- The system should have a cannulated, flexible drill bit of Ø 16.5mm
- The system should have a protection sleeve 20.0/17.0 mm for nail.
- Instrumentation should include Insertion handle and cannulated connecting screw for nail insertion.
- The system should have a radiographic ruler for nail.
- The system should have a direct measuring device for blade
- The system should have a measuring device for locking bolt.
- The system should have a reamer and a drill bit of Ø11mm for blade.
- The system should have a buttress/Compression Nut which enables intraoperative compression of the fracture.
- The system should have a large hexagonal screwdriver, Ø 3.5mm, with groove, length 300mm.
- The system should have a combination wrench Ø 11mm.
- The system should have a pin wrench Ø 4.5mm and length 120mm.
- The system should have a cleaning brush Ø 2.9mm
- The system should have an extraction screw for Blade.
- The system should have an Aiming arm 130° for blade.
- The system should have a Trocar Ø 4.0mm.
- The system should have a drill bit Ø 4.0mm for distal locking.
- The system should have a Trocar Ø3.2mm for guide wire insertion for blade.
- Instrumentation should include an Aiming Jig for Antirootation wire.
- The system should have a Drill sleeve 5.6/3.2mm for Antirootation wires.
- Instrumentation should include an Impactor for Blade.
- The system should have a Protection sleeve 11.0/8.0mm.
- The system should have a drill sleeve 8.0/4.0mm.
- The system should have a Trocar Ø 4.0mm.
- The system should have a drill bit Ø 4.0mm for distal locking.
- The system should have an Aiming arm 130° for blade.
- The system should have an Aiming arm for static locking.
- The system should have a pin wrench Ø 4.5mm and length 120mm.
- The system should have a cleaning brush Ø 2.9mm.
- The system should have a cleaning stylet Ø2.8mm, length 450 mm for cannulated instruments.
- The system should have a hammer guide and combined hammer 500g which can be mounted.
- The system should have an extraction screw for Blade.
- The instruments should have trays for all instruments and implants.

Implant: Proximal Femoral Nail -Antirootation II (Cannulated):
At least two nails each for both right and left side to be provided

Technical details of nail:
1. The nail should be designed for the anatomic situation in Asiatic population.
2. It should have lateral flattened proximal cross section which eases insertion.
3. It should have a medio-lateral angle of 5°.
4. It should be available in length varying from 170 mm (extra small), to 420mm (longer nails).
5. It should be available in diameters of Ø9mm to Ø12mm.
6. The tip of the nail should be flexible to avoid stress at the tip of the nail.
7. All the nails should be cannulated and an alloy of Ti, Al and Nb and available in left and right versions.

Blade (Cannulated)
1. It should have the capability of compacting the cancellous bone after insertion.
2. It should have large surface area to give best possible anchoring in osteoporotic bone.
3. It should be in titanium varying from 75mm – 120mm lengths with 5mm increments.
4. All blades should be cannulated and the material should be an alloy of Ti – 6Al – 7Nb.

End Cap (Cannulated)
1. It should be capable of protecting nail threads from tissue ingrowths.
2. It should be available in Titanium with extensions of 0mm to 15mm with hexagonal recess Ø4.0mm/ Ø11mm.
3. All end caps should be cannulated and the material should be in Titanium alloy.

Locking Bolt
1. Diameter of Ø 4.9mm and self tapping with hexagonal recess of Ø3.5mm.
2. It should be available in lengths of 26mm – 76mm with 2mm increments and 80mm – 100mm with 5mm increments.
3. The material of the bolts should be Titanium alloy.
LCP Distal Radius System 2.4 Specifications - DISTAL RADIUS

1. This system should consist of at least two plates for both dorsal and volar anatomically precontoured plates for both right and left side bone of each different types to treat the common fracture patterns of DER
2. The implants and instruments should come in tray with lid
3. Instruments must be CE/FDA certified (make in India products is welcome)
4. The system should be compatible with 2.4/2.7mm locking screws.
5. All screws with Stardrive, T8 Drive
6. The compatible implants should be made of Titanium Alloy (TAN)
7. The plates should have flat and rounded profiles to reduce soft tissue irritation.
8. The system should have drill bit of diameter 1.8mm and 2.0mm for Quick coupling.
9. The system should have LCP Drill Sleeve 2.4 and 2.7

10. The Dorsal Plates should consist of 2 straight plates for radial column and 8 right or left angled plates, 4 oblique plates and 2 T plates for intermediate column of Distal Radius. The 5 types of Dorsal plates available in right and left except straight plate and T plate-
    - LCP Distal Radius Plate 2.4, straight, 5 - 6 holes
    - LCP T Distal Radius Plate 2.4, shaft 4 holes and head 3 holes
    - LCP T Distal Radius Plate 2.4, shaft 3 holes and head 3 holes
    - LCP L Distal Radius Plate 2.4, left angled and right angled, shaft 3 holes and head 2 holes
    - LCP L Distal Radius Plate 2.4, left angled and right angled, shaft 4 holes and head 2 holes
    - LCP L Distal Radius Plate 2.4, left angled and right angled, shaft 3 holes and head 3 holes
    - LCP L Distal Radius Plate 2.4, left angled and right angled, shaft 4 holes and head 3 holes
    - LCP L Distal Radius Plate 2.4, oblique, left angled and right angled, shaft 3 holes and head 3 holes
    - LCP L Distal Radius Plate 2.4, oblique, left angled and right angled, shaft 4 holes and head 3 holes

11. The Volar Plates should consist of 4 standard anatomically precontoured plates and 2 volar buttress plates anatomically precontoured plates. The Volar plates available for juxta-articular placement available in right and left; design is standard long and buttress
    - LCP Distal Radius Plate 2.4, left & right, shaft 3 holes, head 5 holes
    - LCP Distal Radius Plate 2.4, left & right, shaft 5 holes, head 5 holes
    - Optional- LCP Buttress Plate 2.4, left & right, shaft 3 holes, head 5 holes
    - LCP Distal Radius Plate 2.4, extraarticular, left & right, shaft 3 holes, head 5 holes
    - LCP Distal Radius Plate 2.4, extraarticular, left & right, shaft 5 holes, head 5 holes
    - LCP Distal Radius Plate 2.4, extraarticular, left & right, shaft 3 holes, head 4 holes
    - LCP Distal Radius Plate 2.4, extra long, shaft 8, 10, 12 holes, head 4 holes

12. The locking and cortical screws should be self tapping and available in the following dimensions:
    - LCP Locking Screw _ 2.4 mm, self-tapping, length 6–30 mm
    - LCP Locking Screw _ 2.7 mm (head LCP 2.4), self-tapping, length 6–30 mm (optional)
    - Cortex Screw _ 2.4 mm, self-tapping, length 6–30 mm
    - Cortex Screw _ 2.7 mm, self-tapping, length 10–30 mm

Pelvic & Acetabular Fracture Fixation Set
QR FOR Low Profile 3.5 Pelvic Basic Instrument Set in Graphic Case
Material – Stainless Steel (Instruments)
Material – Stainless Steel (Implants)
Grade – 316L; ISO 5832-1
- The Instrument should have Drill Bit, 3.5mm dia., L 195/170mm, for quick coupling
- The Instrument should have Tap for Cortex Screws Ø 3.5 mm, calibrated, length 175 mm
- The Instrument should have Holding Sleeve
- The Instrument should have Screwdriver, hexagonal, small, Ø 2.5 mm, length 270 mm
- The Instrument should have Drill Bit, 2.5mm dia., L 230/205mm, 3-flute, with depth marking
- The Instrument should have Drill Bit Ø 2.5 mm, calibrated, length 300 mm, with Quick Coupling, for Percutaneous Insertion
- The Instrument should have Depth Gauge for Cortex Screws Ø 3.5 mm, measuring range up to 150 mm
- The Instrument should have Bending Iron for Reconstruction Plates 3.5 and 4.5, length 190 mm
- The Instrument should have Bending Pliers for Reconstruction Plates 3.5
- The Instrument should have Ratchet Wrench with AO/ASIF Quick Coupling
- The Instrument should have Handle with Quick Coupling
- The Instrument should have Screwdriver Shaft, hexagonal for Screws Ø 3.5 mm, length 250 mm
- The Instrument should have Screwdriver Shaft Star drive®, length 250mm

QR FOR Low Profile 3.5 Pelvic Reduction Instrument Set in Graphic Case
Material – Stainless Steel (Instruments)
Grade – 316L; ISO 5832-1
- The Instrument should have Schanz Screw Ø 6.0 mm, length 190/50 mm, Stainless Steel
- The Instrument should have Universal Chuck with T-Handle, L 160mm
- The Instrument should have Bone Hook, sharp, medium, L 230mm
- The Instrument should have Bone Hook, sharp, large, L 200mm
- The Instrument should have Forceps for Screw Removal, L 205mm
- The Instrument should have Pelvic Reduction Forceps, small, length 190 mm, for use with Cortex Screws Ø 3.5 and 4.5 mm
• The Instrument should have Pelvic Reduction Forceps, medium, length 250 mm, for use with Cortex Screws Ø 3.5 and 4.5 mm
• The Instrument should have Pelvic Reduction Forceps, large, adjustable, speed lock, length 330 mm
• The Instrument should have Reduction Forceps, large, with points, L 200mm
• The Instrument should have Ball Spike, straight, with pointed ball tips Ø 6.5 mm, length 300 mm
• The Instrument should have Ball Spike, straight, long, with pointed ball tips Ø 6.5 mm, length 400 mm
• The Instrument should have Pelvic Reduction Forceps with pointed ball tips Ø 6.5 mm, length 250 mm
• The Instrument should have Pelvic Reduction Forceps, oblique, with pointed ball tips Ø 6.5 mm, length 200 mm
• The Instrument should have Pelvic Reduction Forceps, oblique, with pointed ball tips Ø 6.5 mm, length 400 mm
• The Instrument should have Pelvic Reduction Forceps, small, for Screws Ø 3.5 mm, length 250 mm
• The Instrument should have Disc, hole Ø 6.5 mm
• The Instrument should have Disc, rectangular, hole Ø 6.5 mm
• The Instrument should have Disc, rectangular, hole Ø 6.5 mm
• The Instrument should have Bone Hook, medium, long, length 330 mm
• The Instrument should have Bone Hook, large, long, length 330 mm

OR FOR Low Profile 2.5 Pelvic Retractor Set in Graphic Case

Material – Stainless Steel and Aluminium (Instruments)
Grade – 316L; ISO 5832 -1

• The Instrument should have Pelvic Retractor, blunt, L 270mm
• The Instrument should have Radiolucent Pelvic Retractor, blunt, length 274 mm, Aluminium
• The Instrument should have Retractor, medium, length 268 mm, Stainless Steel
• The Instrument should have Radiolucent Pelvic Retractor, medium, length 268 mm, Aluminium
• The Instrument should have Pelvic Retractor, large, length 323 mm
• The Instrument should have Radiolucent Pelvic Retractor, large, length 323 mm, Aluminium
• The Instrument should have Retractor for Sciatic Nerve
• The Instrument should have Retractor for Sciatic Nerve, long
• The Instrument should have Retractor, can be contoured, width 20 mm
• The Instrument should have Retractor, can be contoured, width 30 mm
• The Instrument should have Retractor, can be contoured, width 40 mm
• The Instrument should have Radiolucent Hohmann Retractor, width 24 mm, length 275 mm, Aluminium
• The Instrument should have Radiolucent Hohmann Retractor, width 24 mm, length 267 mm, Aluminium

Plates for Pelvic & Acetabular Reconstruction

Material – Stainless Steel and Aluminium (Instruments)
Grade – 316L; ISO 5832 -1

• Reconstruction Plate 3.5 with low profile, straight – Stainless Steel 3 to 20 holes (5 pieces each)
• Reconstruction Plate 3.5 with low profile, curved (radius 108 mm) – Stainless Steel 6 to 16 holes (5 pieces each)
• Reconstruction Plate 3.5 with low profile, curved (radius 88 mm) -- Stainless Steel 6 to 16 holes (5 pieces each)
• Sympyseal Plate 3.5 with coaxial combi-holes – Stainless Steel 4 and 6 holes (5 pieces each)
• Sympyseal Plate 3.5 with coaxial combi-holes and 2 DCP – Stainless Steel 4 and 6 holes (5 pieces each)
• Reconstruction J-Plate 3.5 with coaxial combi-holes (radius 88 mm) Right and Left 10 to 16 holes (5 pieces each)
• Reconstruction Plate 3.5 with coaxial combi-holes, straight – Stainless Steel 3 to 20 holes (5 pieces each)
• Reconstruction Plate 3.5 with wide Angle, straight – Stainless Steel 3 to 20 holes (5 pieces each)
• Spring Plate 3.5 – Stainless Steel 1, 2, 3 (5 pieces each)
• Cortext Screw Star drive B 3.5 mm, self-tapping, length 10 –150 mm, Stainless Steel – 10 pieces each
• Pelvic Cortext Screw B 3.5 mm, self-tapping, head height 2.75 mm, length 30 –150 mm, Stainless Steel - 10 pieces each
• Cortext Screw B 3.5 mm, self-tapping, length 10 – 38 mm, Stainless Steel – 10 pieces each
• Locking Screw B 3.5 mm, self-tapping, length 10 – 95 mm, Stainless Steel – 10 pieces each
• Threaded Pin Star drive B 3.5 mm, Stainless Steel – 5 pieces
• Locking Screw Star drive B 3.5 mm, self-tapping – Stainless Steel 10mm to 95 mm – 10 pieces each

Upper Humerus:

Philos specification

1. The system should consist of 3 - 13 holes of anatomically precontoured plates – 2 numbers each
2. The system should be available with guide block for easy and correct insertion.
3. The system should be compatible with 3.5mm locking screws.
4. The locking and cortical screws should be self tapping and available from 26mm to 60mm length.
5. The implants should be made of pure Titanium.
6. The plates should have flat and rounded profiles to reduce soft tissue irritation.
7. The system should have Handle with Quick Coupling
8. The system should have Threaded LCP Drill Guide for 2.8mm Drill Bit
9. The system should have Screw Holding sleeve for LCP 3.5
10. The system should have Screwdriver Shaft 2.5 mm, L 80mm
11. The system should have Drill Bit, 2.8mm dia., L165 mm
12. The system should have Torque limiting Attachment for LCP 3.5, 15 Nm
13. The system must have PHILOS Direct measure-device I/K wire
14. The system should have Centering Sleeve for Kirschner Wire Ø 1.6 mm
15. The system should have Drill Sleeve 5.0/2.9
16. The system should have Drill Sleeve LCP 3.5
17. The implants should be provided in tray with lid
Instrumentation for Upper Humerus Fracture Fixation:

**Small Fragment**
- The instrument set should contain Drill Bit with diameter 2.5mm & Length 110/85mm for quick coupling
- The instrument set should contain Drill Bit with diameter 3.5mm & Length 110/85mm, for quick coupling
- The instrument set should contain Countersink Shaft 3.5, Length 72mm
- The instrument set should contain Tap for 3.5mm Cortex Screws Length 50/110mm
- The instrument set should contain Tap for 4.0mm Cancellous Bone Screws Length 110mm
- The instrument set should contain T-Handle with quick coupling, Length 80mm
- The instrument set should contain Double Drill Sleeve 3.5/2.5
- The instrument set should contain Insert Drill Sleeve 3.5/2.5, Length 42mm Drill Bit with diameter 2.5mm
- The instrument set should contain Small Screwdriver Shaft with hexagonal recess & holding sleeve
- The instrument set should contain Small Screwdriver Shaft with hexagonal recess & groove, Length 200mm
- The instrument set should contain Sharp Hook, Length 155mm
- The instrument set should contain Depth Gauge for 2.7mm to 4.0mm Screws
- The instrument set should contain Holding Clip 4.5 - 7.0mm
- The instrument set should contain Screw Forceps, self-retaining, Length 85mm
- The instrument set should contain DCP® Drill Sleeve 3.5 for neutral and load position
- The instrument set should contain Reduction Forceps with points, Length 130mm
- The instrument set should contain Reduction Forceps with points, wide, ratchet lock, Length 132mm
- The instrument set should contain Reduction Forceps, toothed, ratchet lock, Length 140mm
- The instrument set should contain Bone Holding Forceps, self-centering, speed lock, Length 190mm
- The instrument set should contain Retractor, small, 8mm wide, short narrow tip, Length 160mm
- The instrument set should contain Periosteal Elevator, round edge, 6mm wide, Length 200mm
- The instrument set should contain Retractor, 15mm wide, Length 160mm
- The instrument set should contain Torque-limiting Attachment for LCP 3.5, 1.5Nm
- The instrument set should contain Drill bit with diameter 2.5mm for metal
- The instrument set should contain Conical Extraction Screw for PC-Fix
- The instrument set should contain Drill Bit with diameter 2.8mm, Length 165mm for quick coupling
- The instrument set should contain Screwdriver Shaft 2.5, Length 80mm
- The instrument set should contain Screw Holding Sleeve for LCP 3.5
- The instrument set should contain Threaded LCP Drill Guide for 2.8mm Drill Bit
- The instrument set should contain Handle with Quick Coupling

**General Instruments**
- The instrument set should contain Small Sharp Bone Hook, Length 230mm
- The instrument set should contain Medium Sharp Bone Hook, Length 230mm
- The instrument set should contain Retractor, 8mm wide, short narrow tip, Length 220mm
- The instrument set should contain Retractor, 18mm wide, short narrow tip, Length 235mm
- The instrument set should contain Retractor, 24mm wide, long and wide tip, Length 270mm
- The instrument set should contain Curved shaft Periosteal Elevator, 14mm wide, Length 200mm
- The instrument set should contain Round edged Periosteal Elevator, 6mm wide, Length 200mm
- The instrument set should contain Straight shaft Periosteal Elevator, 14mm wide, Length 200mm
- The instrument set should contain Hammer 500g, Length 230mm
- The instrument set should contain Chisel Handle, Length 185mm
- The instrument set should contain Chisel Blade, 10mm wide, thickness 0.9mm, Length 81mm
- The instrument set should contain Chisel Blade, 16mm wide, thickness 0.9mm, Length 81mm
- The instrument set should contain Chisel Blade, 25mm wide, thickness 0.9mm, Length 81mm
- The instrument set should contain Gouge, curved, for cancellous bone graft harvest, 10mm wide, Length 250mm
Spica Table: Specifications

Description/Justification

It is a table like device used mostly for easy and precise application of plasters Spica in the treatment of fractures and dislocations and after surgery at the hip. It provides a stable and adjustable platform that is easily stowed after use.

General Specification:

1. Suitable for Orthopaedic Spica Cast application for orthopaedic patients.
2. Portable and can be assembled inside OT.
3. Light weight
4. Adjustable and Versatile for User friendly Spica application
5. Should be manufactured using only the highest quality material available.
6. Made of strong and durable scratch-resistant materials used for all non metal components; the table top, Spinal supports and Perineal posts.
7. Metal components of the table are constructed from polished stainless steel including the adjustment handles and fasteners.
8. Properly engineered with smooth finish.
9. Essential relevant accessories/tools provided for use and maintenance and on the spot adjustment/repair.
10. Should be ISO approved.
11. Should have 2 (two) years warranty.

Qualification Criteria

01. The tenderer must be a manufacturer. In case the manufacturer does not quote directly, they may authorise their authorized agent as per proforma of Manufacturer authorization form as given in the tender enquiry document to quote and enter into a contractual obligation.

02. (a) The Manufacturer should have supplied and installed in last three years before the date of Tender Opening, atleast 100% of the quoted quantity of the similar equipment meeting major specification parameters which is functioning satisfactorily. The foreign Manufacturer satisfying the above criteria should also have supplied and installed in last three years before the date of Tender Opening, at least 100% of quoted quantity of similar model which is functioning satisfactorily any where outside the country of manufacture.

02. (b) The Tenderers quoting as authorized representative of the manufacturer shall have three years of experience in the related field and should obtain documents from principals/manufacturer fulfilling the requirements in respect of condition mentioned in 2 (a), taking full responsibility of technical support, service and organizational support.

Note

“We hereby certify that if at any time, information furnished by us is proved to be false or incorrect, we are liable for any action as deemed fit by the purchaser in addition to forfeiture of the earnest money.”

In support of 2 (a) & 2 (b), the Tenderer shall furnish Performance statement in the enclosed Proforma ‘A’.

The manufacturer as well as the Tenderer/ Indian Agent shall furnish Satisfactory Consignee Certificate in respect of above, duly translated in English and duly notarized in the country of origin, alongwith the tender.

The Tenderer shall furnish a brief write-up, packed with adequate data explaining and establishing his available capacity/capability (both technical and financial) to perform the Contract (if awarded) within the stipulated time period, after meeting all its current/present commitments. The Tenderer shall also furnish details of Equipment and Quality Control in the enclosed Section VIII.

Notwithstanding anything stated above, the Purchaser reserves the right to assess the Tenderer’s capability and capacity to perform the contract satisfactorily before deciding on award of Contract, should circumstances warrant such an assessment in the overall interest of the Purchaser.

The Purchaser reserves the right to ask for a free demonstration of the quoted equipment at a pre determined place acceptable to the purchaser for technical acceptability as per the tender specifications, before the opening of the Price Tender.

____________________________________

(Check complete address of the purchaser)

Ref. Your TE document No. __________ dated __________

We, the undersigned have examined the above mentioned TE document, including amendment/corrigendum No. __________, dated ________ (if any), the receipt of which is hereby confirmed. We now offer to supply and deliver___________ (Description of goods and services) in conformity with your above referred document for the sum indicated in the price bid, attached herewith and made part of this tender.

If our tender is accepted, we undertake to supply the goods and perform the services as mentioned above, in accordance with the delivery schedule specified in the List of Requirements.

We further confirm that, if our tender is accepted, we shall provide you with a performance security of required amount in an acceptable form in terms of GCC clause 5, read with modification, if any, in Section - V – “Special Conditions of Contract”, for due performance of the contract.

We agree to keep our tender valid for acceptance as required in the GIT clause 20, read with modification, if any in Section - III – “Special Instructions to Tenderers” or for subsequently extended period, if any, agreed to by us. We also accordingly confirm to abide by this tender up to the aforesaid period and this tender may be accepted any time before the expiry of the aforesaid period. We further confirm that, until a formal contract is executed, this tender read with your written acceptance thereof within the aforesaid period shall constitute a binding contract between us.

We further understand that you are not bound to accept the lowest or any tender you may receive against your above-referred tender enquiry.

We confirm that we do not stand deregistered/banned/blacklisted by any Govt. Authorities.

We confirm that we fully agree to the terms and conditions specified in above mentioned TE document, including amendment/corrigendum if any

SECTION – XIII
BANK GUARANTEE FORM FOR EMD

Whereas ______________________________ (hereinafter called the “Tenderer”) has submitted its quotation dated _________________ for the supply of ___________________________________ (hereinafter called the “tender”) against the purchaser’s tender enquiry No. _________________________________. Know all persons by these presents that we ______________________ of ___________________________________ (Hereinafter called the “Bank”) having our registered office at ________________________________ are bound unto ____________________________ (hereinafter called the “Purchaser”) in the sum of ___________________________ for which payment will and truly to be made to the said Purchaser, the Bank binds itself, its successors and assigns by these presents. Sealed with the Common Seal of the said Bank this _____________________ day of _______ 20____. The conditions of this obligation are:

(1) If the Tenderer withdraws or amends, impairs or derogates from the tender in any respect within the period of validity of this tender.

(2) If the Tenderer having been notified of the acceptance of his tender by the Purchaser during the period of its validity:

   a) Fails or refuses to furnish the performance security for the due performance of the contract.
   Or
   b) Fails or refuses to accept/execute the contract.
   Or
   c) If it comes to notice that the information/documents furnished in its tender is incorrect, false, misleading or forged

We undertake to pay the Purchaser up to the above amount upon receipt of its first written demand, without the Purchaser having to substantiate its demand, provided that in its demand the Purchaser will note that the amount claimed by it is due to it owing to the occurrence of one or both the two conditions, specifying the occurred condition(s).

This guarantee will remain in force for a period of forty-five days after the period of tender validity and any demand in respect thereof should reach the Bank not later than the above date.

To,
The Purchaser,
Address

This deed of guarantee made this day of ______________________ between (Name of Bank) ________________ (hereinafter called the “Bank”) of the one part, and the ________________ (The Purchaser) (hereinafter called “The Purchaser”) of the other part.

Whereas ________________ (The Purchaser) has awarded the Contract bearing No. ________________ dated ________________ for ________________ (Description of Goods) (hereinafter called the contract) to ________________ (Name of the Supplier) (hereinafter called the Supplier).

In accordance with the provisions and Terms & Conditions of the Contract to provide for 90% payment amounting to Rs. __________. _______________ (name and address of Contractor) (hereinafter called “the Contractor”) shall deposit with the ________________ (The Purchaser) a bank guarantee to guaranty his proper and faithful performance under the said Clause of the Contract in an equivalent amount of ________________ (amount of guarantee in figures and words).

We, the ________________ (Bank), as instructed by the Supplier, agree unconditionally and irrevocably to guarantee as primary obligator and not as surety merely, the payment to the ________________ (name of the Purchaser) on his first demand through Demand draft payable at Shillong without objection/demur on our part.

We further agree that no change or addition to or other modification of the terms of the Contract to be performed there under or of any of the Contract documents which may be made between ________________ (Name of the Purchaser) and the Supplier, shall in any way release us from any liability under this guarantee, and we hereby waive notice of any such change, addition or modification.

The guarantee remains valid in full effect from the date of the advance payment received by the supplier under the contract until ________________ (date)

Yours Truly
