

CIRCULAR

The Honourable Prime Minister of India Shri. Narendra Modi has launched "Ek Ped Maa Ke Naam" campaign to show respect to our motherland and nature. This initiative aimed to plant trees in the name of mother for a lasting memory. NEIGRIHMS has launched "Ek Ped Maa Ke Naam" campaign on 21st Sep 2024 as a part of the ongoing Swachhata Hi Seva fortnight observation.

In view of the above, sanitation department will distribute trees sapling to all employees residing in the quarters of the institute starting from 28th Sep 2024. Residents of each quarter are encouraged to plant these saplings in their respective allocated areas. During the distribution, necessary information (Name, Quarter No, etc.) along with photographs of residents receiving trees sapling will be captured for record-keeping by the institute's photographer or sanitation personnel.

All faculty, staff, and employees residing within the campus premises of the institute to actively participate in this noble cause.

Your cooperation is essential in creating a cleaner and greener environment.

Prof C. Daniala
