DO No. 53/CEO-GeM/2021

Office of AS (MA)  
FTS 2340400  
Date 20-9-21

09<sup>th</sup> September, 2021*Respected Sir,*

The Government e Marketplace (GeM) has been working towards creating a unified procurement system for the consolidation of the entire public buying of goods and services across India on to a single platform. As part of our continued engagement with Government buyers on the platform, we had earlier been sharing a daily detailed transaction report with our stakeholders to give them visibility on the status of transactions and the growth of GeM portal.

~~As we're engaging more deeply with Buyers to increase their procurement on GeM, it was felt critical to provide a more specific view of the extent of each Ministry's procurement on the platform, the status of delayed payments and other relevant data. In this context, please find enclosed a customized report capturing the performance of the Ministry, for your perusal. Going forward, an email with a monthly report in this format will also be shared. Further, this will also be included along with other useful data specific to the buyer in the GeM dashboard for the ministry which is used by the respective nodal officers.~~

This is only the beginning of a more data-driven engagement we wish to conduct with our Government buyers. I hope this report will provide you with useful insights to highlight successes while also identifying any roadblocks in procurement through GeM.

*warm regards,*

Yours sincerely,

(P.K. Singh)
