

CORRIGENDUM

This is to inform all concerned that the date mentioned in our advertisement published on **30th June, 2026** was inadvertently printed incorrectly for the Project entitled “A Multi-Centric Parallel Arm Randomized Controlled Clinical trial to improve treatment outcomes among persons with drug sensitive pulmonary TB treated with 4 or 6 months of High dose Rifampicin containing regimens with or without Levofloxacin. {PRaCTISe-HR}”. funded by ICMR-NIRT, Chennai.

The correct date for last day of submission of CV/Application form is **6th July, 2026** instead of **2nd July, 2026**.

All other details in the advertisement remain unchanged. We regret the error and any inconvenience caused.
