Shillong is a hill station and the capital of Meghalaya and the only hill station in the country that is accessible from all directions. The name Shillong is derived from U-Shyllong, a powerful deity and is situated at an altitude of 1,491m above sea level. The city lies in the centre of a plateau and is surrounded by hills. This beautiful city is about 103 kms from **Guwahati**. The presence of many well reputed educational institutions, many of them established by various missionary groups make Shillong the hub of education for the entire north-east. Meghalaya is also famous for **heavy rainfall, caves, tallest waterfalls, beautiful landscapes and amazing people and their culture.**

MESSAGE FROM THE ORGANIZING CHAIRMAN AND SECRETARY

Dear colleagues,

As a matter of pride and immense pleasure we would like to invite all of you for 12th International conference of IAMLE, from 1st to 4th June 2023 at NEIGRIHMS, Shillong.

This conference is organized by Department of Forensic Medicine, NEIGRIHMS which is designated as a "Centre of Excellence" by the govt of India.

This conference has always been a platform for people around the world who are actively involved in the medico-legal field encompassing Forensic Medicine & Toxicology, Forensic science and Law to come together and share their ideas and wisdom under one roof. This conference will provide a unique opportunity to Academicians, Professionals, Students, Judiciary, Police and Policy makers to learn from each other and work towards a common goal.

Eminent speakers along with Medico Legal experts from all over the world have also confirmed their participation.

We, on behalf of the organizing committee cordially invite everyone to Shillong popularly known as 'The Scotland of East' which is the capital of the state of Meghalaya, 'The abode of clouds'

With Regards,

Prof. (Dr.) Adarsh Kumar,
