Subject: **Healthcare Recruitment Opportunities in Finland, UK, Japan.**

Sir,

With reference to the subject cited above, I am to enclosed herewith the advertisement regarding the employment opportunities for the youth of our state, particularly in the healthcare sector, as facilitated by the collaboration between NSDC and the Nursing Council. The prospect of employment in the healthcare field, spanning across three different countries - the UK, Japan, and Finland. Presents a promising avenue for individuals seeking professional growth and global exposure. Candidates keenly interested in exploring these opportunities kindly visit the DECT website, and scan using the QR Code for filling out the google form for registration.

This is for favour of your kind information and approval please.

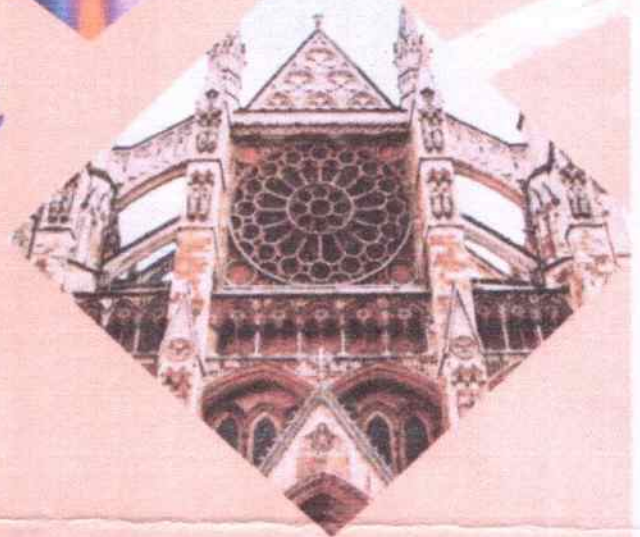

Yours faithfully,

Director,
Employment & Craftsmen Training,
Meghalaya, Shillong.
