**SOP for Sanitation**

Guidelines for Handling, Treatment and Disposal of Waste Generated during Treatment/ Diagnosis /  
Care of COVID -19 patients, provided by the Central Pollution Control Board (Ministry of Environment,  
& Climate Change)).

**to be followed for the collection, transportation, Treatment & Disposal of Waste from  
COVID-19 Screening Centre, Labs & Isolation Wards etc:-**

- Put on appropriate PPE.
- Waste Collectors once starting the collection can't come out without finishing his/her job. Not even for tea, food or toilet. Therefore, before starting collection and before putting on appropriate PPE should complete all the essential works etc.
- Once collection, transportation, treatment & disposal is complete, they need to clean the collection cart (inside & outside), disinfect it with 1% sodium Hypochlorite and then allow to dry, dispose their PPE and then take bath with adequate soap & water.
- Use separate dedicated cart/trolley for collection from these places
- Cart/Trolley to be labelled as "COVID -19". And all the bags at the time of collection should be marked as 'COVID-19 Waste'.
- First Waste to be collected from Room No- 7 & then Room No 14 of Dept. Of Microbiology.
- Then Waste to be collected from Screening Area.
- Then Collectors to move through outside road to Isolation Ward & Collect Waste.
- And directly move with the cart to the Bio-Medical Waste Management Plant for treatment & final disposal.
- Everyday twice waste to be collected from these areas Morning at 9am and afternoon at 2pm.
- Waste should be kept separately in colour coded bins/bags/containers in these places maintaining proper segregation as per BMW Rules, 2016. Bins to be levelled as ' COVID -19'.
- Use two bags for collection of waste. Carry empty bags, put waste like yellow bag in yellow bag and tie the bag. Do the same for other colour bags.
- Contaminated General waste also to be carried in separate bins and deep buried.
- Weigh & Maintain separate record of waste generated, transported, treated & disposed from COVID-19.
- These waste shall be treated as soon as it reaches Bio-Medical Waste Management Plant.
- Staffs engaged in Collection, transportation, Treatment and Disposal of COVID -19 waste need to wear adequate PPEs including three layer masks, splash proof aprons/gowns, nitrile gloves, gum boots and safety goggles etc.
- They also need to follow Sanitization protocol as notified earlier & must take bath with adequate soap & water before leaving duty place.

Ref: Ministry's email dated 21.02.2022

Sir,

In referring to the Ministry's email under reference on the subject above, I am directed to submit herewith the information in respect of posts filled, vacant backlog vacancies in NEIGRIHMS, Shillong for the period from 09.09.1993 to 31.12.2021 as sought for in the prescribed performa enclosed at **Annexure-I**,

With regard clarification on point No.2 i.e reservation of seats in admission, it may be mentioned that NEIGRIHMS, Shillong has been declared as an Institution of Excellence vide Gazette of India Notification dated 4<sup>th</sup> January 2007 Section 4(b) of the Act stipulates that the provision of Section 3 of the Act i.e. reservation of seats in admission, shall not apply to Institute of Excellence. A copy of the Notification is enclosed at **Annexure- -II** for information.

Further, in the amendment to the Central Educational Institutes (Reservation in Admission) Act 2006, the provision of Section 4 (b) of the Act has not been amended. A copy of the Notification is enclosed at **Annexure- -III** for information.

In view of the above provision of the Act and NEIGRIHMS, Shillong being an Institute of Excellence, the reservation of seats in admission does not apply to the Institute.

This is for favour of your kind information and necessary action.

MINISTRY OF LAW AND JUSTICE  
(Legislative Department)

New Delhi, the 4th January, 2007/Pausa 14, 1928 (Saka)

The following Act of Parliament received the assent of the President on the 3rd January, 2007, and is hereby published for general information:—

THE CENTRAL EDUCATIONAL INSTITUTIONS  
(RESERVATION IN ADMISSION) ACT, 2006

No. 5 of 2007

[3rd January, 2007.]

An Act to provide for the reservation in admission of the students belonging to the Scheduled Castes, the Scheduled Tribes and the Other Backward Classes of citizens, to certain Central Educational Institutions established, maintained or aided by the Central Government, and for matters connected therewith or incidental thereto.

Be it enacted by Parliament in the Fifty-seventh Year of the Republic of India as follows:—

1. This Act may be called the Central Educational Institutions (Reservation in Admission) Act, 2006. Short title.

2. In this Act, unless the context otherwise requires,— Definitions.

(a) "academic session" means the period in a calendar year, or a part thereof, during which a Central Educational Institution is open for teaching or instruction in any branch of study or faculty.

(b) "annual permitted strength" means the number of seats, in a course or programme for teaching or instruction in each branch of study or faculty authorised by an appropriate authority for admission of students to a Central Educational Institution;

(c) "appropriate authority" means the University Grants Commission, the Bar Council of India, the Medical Council of India, the All India Council for Technical Education or any other authority or body established by or under a Central Act for the determination, co-ordination or maintenance of the standards of higher education in any Central Educational Institution;

(d) "Central Educational Institution" means—

(i) a university established or incorporated by or under a Central Act;

(ii) an institution of national importance set up by an Act of Parliament;

(iii) an institution, declared as a deemed University under section 3 of the University Grants Commission Act, 1956, and maintained by or receiving aid from the Central Government;

(iv) an institution maintained by or receiving aid from the Central Government, whether directly or indirectly, and affiliated to an institution referred to in clause (i) or clause (ii), or a constituent unit of an institution referred to in clause (ii);

(v) an educational institution set up by the Central Government under the Societies Registration Act, 1860;

(e) "faculty" means the faculty of a Central Educational Institution;

(f) "Minority Educational Institution" means an institution established and administered by the minorities under clause (1) of article 30 of the Constitution and so declared by an Act of Parliament or by the Central Government or declared as a Minority Educational Institution under the National Commission for Minority Educational Institutions Act, 2004;

(g) "Other Backward Classes" means the class or classes of citizens who are socially and educationally backward, and are so determined by the Central Government;

(h) "Scheduled Castes" means the Scheduled Castes notified under article 341 of the Constitution;

(i) "Scheduled Tribes" means the Scheduled Tribes notified under article 342 of the Constitution;

(j) "teaching or instruction in any branch of study" means teaching or instruction in a branch of study leading to three principal levels of qualifications at bachelor (undergraduate) masters (postgraduate) and doctoral levels.

3. The reservation of seats in admission and its extent in a Central Educational Institution shall be provided in the following manner, namely:—

(i) out of the annual permitted strength in each branch of study or faculty, fifteen per cent. seats shall be reserved for the Scheduled Castes;

Reservation of  
seats in Central  
Educational  
Institutions

21 of 1860.

2 of 2005.

(ii) out of the annual permitted strength in each branch of study or faculty, seven and one-half per cent. seats shall be reserved for the Scheduled Tribes;

(iii) out of the annual permitted strength in each branch of study or faculty, twenty-seven per cent. seats shall be reserved for the Other Backward Classes.

4. The provisions of section 3 of this Act shall not apply to

Act not to apply in certain cases

(a) a Central Educational Institution established in the tribal areas referred to in the Sixth Schedule to the Constitution;

(b) the institutions of excellence, research institutions, institutions of national and strategic importance specified in the Schedule to this Act

Provided that the Central Government may, as and when considered necessary, by notification in the Official Gazette, amend the Schedule;

(c) a Minority Educational Institution as defined in this Act;

(d) a course or programme at high levels of specialisation, including at the post-doctoral level, within any branch of study or faculty, which the Central Government may, in consultation with the appropriate authority, specify.

5. (1) Notwithstanding anything contained in clause (iii) of section 3 and in any other law for the time being in force, every Central Educational Institution shall, with the prior approval of the appropriate authority, increase the number of seats in a branch of study or faculty over and above its annual permitted strength so that the number of seats, excluding those reserved for the persons belonging to the Scheduled Castes, the Scheduled Tribes and the Other Backward Classes, is not less than the number of such seats available for the academic session immediately preceding the date of the coming into force of this Act.

Mandatory increase of seats.

(2) Where, on a representation by any Central Educational Institution, the Central Government, in consultation with the appropriate authority, is satisfied that for reasons of financial, physical or academic limitations or in order to maintain the standards of education, the annual permitted strength in any branch of study or faculty of such institution cannot be increased for the academic session following the commencement of this Act, it may permit by notification in the Official Gazette, such institution to increase the annual permitted strength over a maximum period of three years beginning with the academic session following the commencement of this Act; and then, the extent of reservation for the Other Backward Classes as provided in clause (iii) of section 3 shall be limited for that academic session in such manner that the number of seats available to the Other Backward Classes for each academic session are commensurate with the increase in the permitted strength for each year.

6. The Central Educational Institutions shall take all necessary steps, which are required in giving effect to the provisions of sections 3, 4 and 5 of this Act, for the purposes of reservation of seats in admissions to its academic sessions commencing on and from the calendar year, 2007.

Reservation of seats in admissions to begin in calendar year, 2007.

7. Every notification made under this Act shall be laid, as soon as may be after it is made, before each House of Parliament while it is in session, for a total period of thirty days which may be comprised in one session or in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive sessions aforesaid, both Houses agree in making any modification in the notification or both Houses agree that the notification should not be made, the notification shall thereafter have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that notification.

Laying of notifications before Parliament.
